Tales Told in Togoland A. W. Cardinall, 2018-08-16 Originally published in 1931 this book collects tales told to the author by agricultural labourers and hunters in what was Togoland in the 1920s A rare and valuable resource of oral history the book also contains the history of the Dagomba from Northern Ghana

The Annotated African American Folktales Henry Louis Gates Jr., Maria Tatar, 2017-11-14 Winner NAACP Image Award for Outstanding Literary Work Fiction Winner Anne Izard Storytellers Choice Award Holiday Gift Guide Selection Indiewire San Francisco Chronicle and Minneapolis Star Tribune These nearly 150 African American folktales animate our past and reclaim a lost cultural legacy to redefine American literature Drawing from the great folklorists of the past while expanding African American lore with dozens of tales rarely seen before The Annotated African American Folktales revolutionizes the canon like no other volume Following in the tradition of such classics as Arthur Huff Fauset s *Negro Folk Tales from the South* 1927 Zora Neale Hurston s *Mules and Men* 1935 and Virginia Hamilton s *The People Could Fly* 1985 acclaimed scholars Henry Louis Gates Jr and Maria Tatar assemble a groundbreaking collection of folktales myths and legends that revitalizes a vibrant African American past to produce the most comprehensive and ambitious collection of African American folktales ever published in American literary history Arguing for the value of these deceptively simple stories as part of a sophisticated complex and heterogeneous cultural heritage Gates and Tatar show how these remarkable stories deserve a place alongside the classic works of African American literature and American literature more broadly Opening with two introductory essays and twenty seminal African tales as historical background Gates and Tatar present nearly 150 African American stories among them familiar Brer Rabbit classics but also stories like *The Talking Skull* and *Witches Who Ride* as well as out of print tales from the 1890s Southern Workman Beginning with the figure of Anansi the African trickster master of improvisation a spider who

plots and weaves in scandalous ways The Annotated African American Folktales then goes on to draw Caribbean and Creole tales into the orbit of the folkloric canon It retrieves stories not seen since the Harlem Renaissance and brings back archival tales of Negro folklore that Booker T Washington proclaimed had emanated from a grapevine that existed even before the American Revolution stories brought over by slaves who had survived the Middle Passage Furthermore Gates and Tatar s volume not only defines a new canon but reveals how these folktales were hijacked and misappropriated in previous incarnations egregiously by Joel Chandler Harris a Southern newspaperman as well as by Walt Disney who cannibalized and capitalized on Harris s volumes by creating cartoon characters drawn from this African American lore Presenting these tales with illuminating annotations and hundreds of revelatory illustrations The Annotated African American Folktales reminds us that stories not only move entertain and instruct but more fundamentally inspire and keep hope alive The Annotated African American Folktales includes Introductory essays nearly 150 African American stories and 20 seminal African tales as historical background The familiar Brer Rabbit classics as well as news making vernacular tales from the 1890s Southern Workman An entire section of Caribbean and Latin American folktales that finally become incorporated into the canon Approximately 200 full color museum quality images West African Folk-tales William Henry Barker, 1917 Thirty six tales from Africa s Gold Coast include several Anansi tales as well as stories about many African animals *Roots and Legends* Editors of Wellfleet Press, 2025-01-21 Pass down the powerful teachings of African and African American oral traditions with these 50 beautifully illustrated cultural folktales In this captivating collection of folklore from the African diaspora discover the stories that have been passed down through generations and continue to teach valuable lessons today through their vibrant illustrative language Through its 50 folktales *Roots Legends* celebrates the richness of the African and African American cultures and champions the importance of oral tradition a practice that rose up through the dark times of slavery and oppression Thoughtfully curated and richly illustrated *Roots Legends* features the wonder and educational lessons of cultural stories and figures such as The Flying Africans Sukey and the Mermaid The Legend of Big Momma How the Leopard Got Its Spots Coyote Steals the Sun The Haunting of Sweet Hollow Anansi and the Moss Covered Rock And more Divided into seven sections covering the spiritual nature of animals people the land and its sometimes spooky inhabitants and more each page is filled with timeless tales of heroes tricksters and everyday wisdom and invites you to immerse yourself in the depth and beauty of African and African American folklore A perfect choice for families interested in passing down African and African American heritage through storytelling traditions *Roots Legends* will enchant readers of all ages through its beautifully illustrated and accessible collection of folklore **King Chameleon and more West African Folktales** Rotimi Ogunjobi, 2015-12 *King Chameleon and more West African Folktales* is a selection of folklore believed to have originated from West Africa and the people who live in the region West Africa is home to several scores of tribes languages and dialects Even though tribal cords are quite strong and languages may differ markedly even between two communities a few hundred miles

apart it is usual to find similarities between the local folktales and in some cases only the names of the central characters would make one version of a tale to be different from another Most of the stories in this volume were gleaned from areas within the countries now known as Ghana and Togo However the stories are commonly retold in several forms all over the West Africa region
