**The Chinese Fairy Book** Richard Wilhelm, 1921 The fairy tales and legends of olden China have in common with the Thousand and One Nights an oriental glow and glitter of precious stones and gold and multicolored silks an oriental wealth of fantastic and supernatural action And yet they strike an exotic note distinct in itself The seventy-three stories here presented after original sources embracing Nursery Fairy Tales Legends of the Gods Tales of Saints and Magicians Nature and Animal Tales Ghost Stories Historic Fairy Tales and Literary Fairy Tales probably represent the most comprehensive and varied collection of oriental fairy tales ever made available for American readers There is no child who will not enjoy their novel color their fantastic beauty their infinite variety of subject Yet like the Arabian Nights they will amply repay the attention of the older reader as well Some are exquisitely poetic such as The Flower Elves The Lady of the Moon or The Herd Boy and the Weaving Maiden others like How Three Heroes Came By Their Deaths Because Of Two Peaches carry us back dramatically and powerfully to the Chinese age of Chivalry The summits of fantasy are scaled in the quasi-religious dramas of The Ape Sun Wu Kung and Notscha or the weird sorceries unfolded in The Kindly Magician Delightful ghost stories with happy endings such as A Night on the Battlefield and The Ghost Who Was Foiled are paralleled with such idyllic love tales as that of Rose of Evening or such Lilliputian fancies as The King of the Ants and The Little Hunting Dog It is quite safe to say that these Chinese fairy tales will give equal pleasure to the old as well as the young They have been retold simply with no changes in style or expression beyond such details of presentation which differences between oriental and occidental viewpoints at times compel It is the writer's hope that others may take as much pleasure in reading them as he did in their translation
