Ancient Greek Art From The Collection Of Stavros S Niarchos:

Ancient Greek Art from the Collection of Stavros S. Niarchos Lila Marankou,1995 **Greek Vases in the J. Paul Getty Museum** The J. Paul Getty Museum,2000 This collection of essays discusses a selection of exhibits from the J Paul Getty Museum s extensive collection of Greek vases *The Ancient Art of Emulation* Elaine K. Gazda,2002 Are copies of Greek and Roman masterpieces as important as the originals they imitate **Women's Dress in the Ancient Greek World** Lloyd Llewellyn-Jones,2001-12-31 The clothing and ornament of Greek women signalled much about the status and the morality assigned to them Yet this revealing aspect of women s history has been little studied In this collection of new studies by an international team ancient visual evidence from vase painting and sculpture is used extensively alongside Greek literature to reconstruct how women of the Greek world were perceived and also in important ways how they lived

Reading Ancient Objects Inside Out: Greek Figure-Decorated Pottery in Portugal Rui Morais,Delfim Leão,Maria de Fátima Silva,Daniela Ferreira,David Wallace-Hare,2024-12-12 Collected papers examine ancient Greek vases in Portugal through two approaches scripta explores mythological literary and cultural themes while eikon provides an iconographic analysis The study includes vases from Myths Gods and Heroes and others of historical importance including non figurative examples Papers on Special Techniques in Athenian Vases Kenneth D. S. Lapatin,2008 The papers in this volume derive from the proceedings of an international symposium held at the J Paul Getty Museum at the Getty Villa in June 2006 in connection with the exhibition The Colors of Clay Special Techniques in Athenian Vases The themes of the exhibition vases executed in bilingual coral red gloss outline Kerch style white ground and Six s techniques as well as examples with added clay and gilding and sculpted vases and additions are the touchstones for the essays More than twenty papers by renowned scholars are grouped under such general rubrics as Social Contexts for Athenian Vases in Special Techniques Conservation Analysis and Experimentation Artists Workshops and Production and Markets and Exchange **Portrait of a Priestess** Joan Breton Connelly,2022-03-08 In this sumptuously illustrated book Joan Breton Connelly gives us the first comprehensive cultural history of priestesses in the ancient Greek world Connelly presents the fullest and most vivid picture yet of how priestesses lived and worked from the most famous and sacred of them the Delphic Oracle and the priestess of Athena Polias to basket bearers and handmaidens Along the way she challenges long held beliefs to show that priestesses played far more significant public roles in ancient Greece than previously acknowledged Connelly builds this history through a pioneering examination of archaeological evidence in the broader context of literary sources inscriptions sculpture and vase painting Ranging from southern Italy to Asia Minor and from the late Bronze Age to the fifth century A D she brings the priestesses to life their social origins how they progressed through many sacred roles on the path to priesthood and even how they dressed She sheds light on the rituals they performed the political power they wielded their systems of patronage and compensation and how they were honored including in death Connelly shows that understanding the complexity of priestesses lives

requires us to look past the simple lines we draw today between public and private sacred and secular The remarkable picture that emerges reveals that women in religious office were not as secluded and marginalized as we have thought that religious office was one arena in ancient Greece where women enjoyed privileges and authority comparable to that of men Connelly concludes by examining women's roles in early Christianity taking on the larger issue of the exclusion of women from the Christian priesthood This paperback edition includes additional maps and a glossary for student use **Periklean**
