And Dreams Lost Along The Way:

Reclaiming the Life We Lost Along the Way John Paterson, 2014-11-21 We've been sold a bill of goods. Not out of malice but out of a fundamental misunderstanding of how to effectively approach our lives and the world in order to secure the genuine happiness and authentic loving relationships we desire. In *Reclaiming the Life We Lost Along the Way* we discover that at the heart of every decision we make is the intention to reduce our suffering and satisfy our unmet yearnings. Authentic love, safety, acceptance, connection, belonging, meaning, purpose, value, appreciation. These are the shared desires of every human being. To meet these desires we have invested tremendous effort, yet the quality of life we have sought continues to elude us. The reason is shockingly simple. We have attempted to resolve an internal problem with external solutions. The outside world can never satisfy our deepest longings until our inner world makes a critical shift in perception and orientation. When this internal shift occurs, our experience of everything outside of us begins to change as well. This is the key to realizing and experiencing the quality of life we have been seeking for so long. Discover who you really are, recover your true self, bring your unique gifts to life, then share them with the world. This book shows you how to reclaim the life you were born to live by recovering the authentic love and deep fulfillment you came out of the Universe to encounter and extend in your own life and the lives of everyone you touch.

Along Life's By-Ways Maxine Eliza Powers, 2003 Maxine has been entertaining family and friends with her stories of life's events, wisdom she has gained over the years, and fantasies from a creative imagination for eighty-five years. Her words weave a vivid picture that will capture your attention and make you want to abandon the hectic life today's society imposes on you for a simpler time when folks took the time to stop and listen to the corn grow. Like a fine wine, you need to savor each page, taking the time to visualize the pictures depicting a simple life created by the words of an average woman. Each poem is a step in a journey rich with wisdom and emotions overflowing. The ideal place to read this book is sitting in the top of an apple tree in the summer sun, but since most of us are a little too old or just too busy to take the time to climb a tree, I recommend you find a comfy place and settle in for a whirlwind journey. **ALONG LIFE'S BY WAYS**

Secrets of the Grand Canyon Lanny Kuester, 2010-12-21 The next step in the journey brought us to a sturdy Park Service bus waiting nearby. According to guidebooks, this bus would carry us to the top of the South Kaibab Trail. Amy and I climbed up the steps and down the narrow aisle, lugging our backpacks loaded with sleeping mats, clothes, and food. The water, a gallon for each of us, gurgled reassuringly in plastic bottles. We sat down near the back of the bus. After waiting for late arrivals, the bus driver closed the squeaky door, started the bus, glanced at the rear view mirror, and shifted the gears. The driver, a frumpy middle-aged woman with hints of gray in her hair, started her route with a slight lurch of the bus. Even at this early hour, several people got on and off at various trailheads and scenic overlooks that lined the rim of the Canyon. The driver seemed relaxed and friendly. I felt a mixture of rising anticipation and panic sweep over me as we moved from the known into the unknown. One part of me felt giddy with exhilaration as we neared the trailhead. Another, cautious part inside

wanted answers and a reassurance I could not supply This voice began with the usual question Now what did we forget to pack Other questions nagged at me beneath the surface What am I doing Am I getting in way over my head I felt embarrassed and reluctant to share my reservations with Amy at this early stage of our journey Amy silently gazed out the window as the bus bumped along Several other people on board spoke quietly but with eager nervous voices One younger couple sat quietly staring out at the passing trees clear sky and a few scattered park buildings Time seemed to shift during that ride to the top of the South Kaibab trail Even through the windows the views from the top of the Canyon were magical The elevation on the South Rim of the Canyon reached over 7 000 feet At certain points we saw visitors walking along the edge to admire the scenery I had visited the Canyon just once during a winter vacation to Arizona with my ex wife just a few years before Unfortunately the trail was icy at the time and we cautiously hiked down only a short distance before turning back Like most awestruck tourist I spent the previous visit walking along the rim snapping too many pictures and admiring the views from the top of the Canyon As we gazed out the window of the bus I could catch glimpses of the same views that enchanted me years before I recalled that at certain points along the rim you could catch a glimpse of the Colorado River almost a mile below although the folds and contours of the Canyon walls usually hide it During the ride all of our plans for hiking down into the Canyon took on a new reality I finally realized in the pit of my stomach that we were really going on this trek and that we were going to be descending an entire mile in elevation carrying a heavy backpack every step of the way To calm my inner turmoil I reviewed once again why we had chosen the South Kaibab Trail to reach the Colorado River For one thing it offered a rich history The South Kaibab consisted of a six mile hike down a steep track first used by natives who legend has it followed a game path into the Canyon Later in the nineteenth century miners searching for gold and silver widened and developed the trail By the beginning of the twentieth century most of the mines proved unprofitable and the miners abandoned them However the trails the miners developed became popular with the growing number of tourists drawn to the Canyon During the 1930s the park service started improving and maintaining a number of these trails into the Canyon including the South Kaibab Trail The South Kaibab quickly gained a reputation for its beauty Many hikers selected this route because unlike other popular routes it often followed ridgelines and offered a number of unobstructed views of the Canyon However the trail

Lila and The Island of Lost Thoughts Robin Wickens, 2024-11-08 The Island of Lost Thoughts On the edge of Starling Bay where the waves whispered secrets to the shore and the stars cast a gentle glow over the sea eight year old Lila sat by her bedroom window gazing out at the vast shimmering night Tonight something felt different She could almost sense a mystery hiding in the air like an unspoken thought waiting to be discovered Lila s grandmother had once told her about a magical place far beyond the village a place where thoughts and wishes floated free unclaimed and unspoken She d called it the Island of Lost Thoughts a world only found in dreams Not all thoughts are made for the waking world Lila her grandmother had whispered her eyes twinkling with the memory of her own adventures Some get lost along the way just

waiting for someone brave enough to find them It was a story Lila had always loved though she never thought it could be real But tonight a soft glowing light appeared outside her window swirling gently in the moonlight The light was small like a firefly made of stardust and it moved with purpose beckoning her to follow Heart pounding with excitement Lila threw on her coat and slipped quietly out the front door careful not to wake her parents The light guided her through the village and down to the rocky shore where a small enchanted boat awaited her glowing faintly in the dark The moment she stepped inside the boat drifted out into the open sea gliding smoothly over the water as if it were drawn by an unseen force Lila watched in awe as the stars above seemed to grow brighter their reflections dancing on the waves around her The night was filled with a quiet magic a feeling that she was crossing into another world And then just as dawn began to edge over the horizon she saw it a small mist covered island hidden in the morning haze The boat glided to a gentle stop at the island s shore Lila stepped onto the soft sand and as she looked around she noticed tiny glowing petals drifting through the air like delicate snowflakes Each one shimmered faintly carrying words and images that seemed to whisper to her in the softest of voices They weren t ordinary petals they were lost thoughts With a thrill of wonder Lila realized she had arrived at the Island of Lost Thoughts the very place her grandmother had spoken of Here thoughts drifted like flowers in the breeze each one a wish a memory or a dream left unfulfilled She reached out letting one of the glowing petals settle in her hand feeling its warmth as if it held a tiny piece of someone s soul Welcome Lila a gentle voice called She turned to see a small shimmering creature a guide for the island with wings like translucent leaves and eyes that glowed with the light of a thousand dreams You are here to help these thoughts find their way back into the world to give them a chance to inspire once more As Lila took her first steps onto the island she knew she was beginning an adventure unlike any other one that would bring her closer to the magic hidden in every forgotten wish and unspoken dream
