Ancient Future Evangelism Making Your Church A Faith Forming Community:

Ancient-Future Evangelism Robert E. Webber, 2003-11 Feel like the church is a mile wide but only an inch deep Robert Webber offers the remedy by translating evangelism wisdom from the past into the future **Ancient-Future Worship**

(Ancient-Future) Robert E. Webber, 2008-04-01 With the many models of worship available choosing a style to worship God can be a bit overwhelming Is it better to go with traditional or contemporary models Christians may find themselves asking how early believers worshiped and whether they can provide insight into how we should praise God today Rooted in historical models and patristic church studies Ancient Future Worship examines how early Christian worship models can be applied to the postmodern church Pastors and church leaders as well as younger evangelical and emerging church groups will find this last book in the respected Ancient Future series an invaluable resource for authentic worship

Ancient-Future Time () Robert E. Webber, 2004-10-01 Millions of Christians worldwide follow the liturgical Christian calendar in their worship services and in their own personal devotions The seasons of the Christian year connect believers of diverse backgrounds and offer the sense of unity Jesus desired Robert Webber believes that we can get even more out of the Christian calendar He contends that through its rich theological meanings the Christian year can become a cycle for evangelism and spiritual formation He offers pastors church leaders and those of the younger evangelical mind set practical steps to help achieve this end including preaching texts and worship themes for Lent Easter Pentecost Advent and Christmas

Gospel Witness David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God's human drama as a way to explain the gospel within God's redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today *New World, New Church?* Hannah

Steele, 2017-11-30 The emerging church movement has quickly become one of the fastest growing ecclesiological phenomena in the west today But there is still a debate to be had about how the church understands its identity and purpose within postmodern culture Offering an assessment of the impact of the emerging church upon the church in the West and examining the thinking of the movement's leading proponents including Brian McLaren and Rob Bell *New World New Church* affirms what is good and insightful in the emerging church and offers a robust critical evaluation of its theological revisions **The**

Grass, Stephen R. Holmes, John McDowell, Thomas A. Noble, 2016-04-27 This classic one volume reference work is now substantially expanded and revised to focus on a variety of theological themes thinkers and movements From African Christian Theology to Zionism this volume of historical and systematic theology offers a wealth of information and insight for students pastors and all thoughtful Christians

The Ancient-Future Visionary Robert E. Webber, 2025-01-28 Are we too comfortable with traditional forms of worship Are these forms truly historical or are they man made distortions of God's prescribed ecclesial order Do our accepted methods work against the functioning of the local church in its mission to evangelize and disciple rather than enhance it Join the late Dr Robert E Webber in this compilation of previously published articles and uncollected addresses as he discusses with characteristic humor and candor the diverse aspects of ancient and contemporary worship practices from the church in its infancy to the advent of the contemporary megachurch movement As in his many books including *Worship is a Verb* and *Worship Old New* Webber explores the attitudes and liturgies through which we approach a loving God Webber might infuriate or delight or both but he always stimulates

Cultivating an Evangelistic Character Christopher James Schoon, 2018-04-24 This project explores the relationship between worship discipleship and evangelism within the missional church movement Engaging contributions from liturgical theology Christian ethics and post Christendom evangelism the book proposes a missional approach to worship that when integrated with a praxis oriented discipleship cultivates Jesus character among God's people Along the way the project attends to the Holy Spirit's transformative presence the liturgical rhythms of remembering and anticipating and the practices of hospitality and compassion In the end *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God's people In other words God's people become evangelistic or as Newbigin said the hermeneutic of the gospel

Evangelism Renewed Henry H. Knight, 2025-04-08 Evangelism has entered a new day From the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of God relationship and community and both personal and social transformation They are very diverse but each has something to contribute to how we understand and practice evangelism This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news
