Ancient Women Philosophers 600 B C 500 A D

Mary Ellen Waithe

Ancient Women Philosophers 600 B C 500 A D:

Ancient Women Philosophers Mary Ellen Waithe, 1987-04-30 Dit boek is het eerste deel in een reeks van vier over de geschiedenis van vrouwen in de filosofie

A History of Women Philosophers M.E. Waithe, 1987-04-30 *A History of Women Philosophers* M.E. Waithe, 1987-04-30 *Ancient Women Philosophers, 600 B.C.-500 A.D.* Mary Ellen Waithe, 1992 *A History of Women Philosophers*, 1987 **A History of Women Philosophers: Ancient women philosophers, 600 B.C.-500 A.D** Mary Ellen Waithe, 1987 **Ancient Women Philosophers** Katharine R. O'Reilly, Caterina Pell, 2023-08-31 This book studies largely unresearched ideas of ancient women philosophers and recovers their contributions to the history of philosophy

A History of Women Philosophers M.E. Waithe, 1989-12-31 aspirations the rise of western monasticism was the most note worthy event of the early centuries The importance of monasteries cannot be overstressed as sources of spirituality learning and auto nomy in the intensely masculinized militarized feudal period Drawing their members from the highest levels of society women s monasteries provided an outlet for the energy and ambition of strong willed women as well as positions of considerable authority Even from periods relatively inhospitable to learning of all kinds the memory has been preserved of a good number of women of education Their often considerable achievements and influence however generally lie outside even an expanded definition of philo sophy Among the most notable foremothers of this early period were several whose efforts signal the possibility of later philosophical work Radegund in the sixth century established one of the first Frankish convents thereby laying the foundations for women s spiritual and intellectual development From these beginnings women s monasteries increased rapidly in both number and in fluence both on the continent and in Anglo Saxon England Hilda d 680 is well known as the powerful abbess of the double monastery of Whitby She was eager for knowledge and five Eng lish bishops were educated under her tutelage She is also accounted the patron of Caedmon the first Anglo Saxon poet of religious verse The Anglo Saxon nun Lioba was versed in the liberal arts as well as Scripture and canon law

Teaching Women Philosophers Ruth Edith Hagengruber, 2024-08-30 This book expands the known canon by presenting arguments and concepts from women philosophers from all periods of the history of philosophy from antiquity to the present day The collaborative collection is an undertaking that emerged from intensive discussions on how to expand the philosophical canon which formed the conclusion of the Libori Summer School 2019 This Libori Summer School the third in a row was held to enhance the study of texts written by women philosophers from Antiquity up to now and intended to give opportunity to young scholars to connect and to build networks Presenting such a collection is even more urgent today because a diversification of the canon has long been called for Nevertheless to date there is little explicit material available for this purpose To make this book suitable for both academics and students it is structured in such a way that readers can use excerpts and individual chapters from it that suit their needs be it in moral philosophy politics or phenomenology etc

Containing chapters on women such as Suor Juana Emilie Du Ch telet and Nisia Floresta and supplemented by contextualization namely by some brief biographical information and by the systematic integration of her argument into the debates of the respective periods this book is an important resource highlighting the achievements and value of women in philosophy and calling for a further diversification of the canon

If you ally infatuation such a referred **Ancient Women Philosophers 600 B C 500 A D** books that will pay for you worth, get the entirely best seller from us currently from several preferred authors.
