And God Saw That Good:

And God Saw That Good Lurene Fields,2023-08-03 Before the worlds were framed God had a plan for a family God had all of the angels He had created and the entire universe The angels who ministered to Him are subject to His command acting on His spoken word The universe is subject to God to perform according to His instruction of its formation God was not fulfilling something was missing God Desired a family of beings that was like Him intelligent with a mind He could relate to God wanted someone He could entrust all of His wonderful works to God wanted a family He could shower with love and affection for Himself This book will show God s heart for His family The preparations He made for them before He created the first man in His image Like man and wife prepare the nursery to get it in order before the birth of their baby You will see God s actions to save His man when disobedience to His commandment caused separation from Him and His glory covering There were numerous times God s family disappointed him and He almost annihilated them God redeemed His family through His Son Jesus Christ and after His sacrifice to save the family God gave Him head over them and they became His body How the Trinity works together to help the family now the body of Christ maintain that salvation You will get to know the role of the body of Christ here in the earthly realm

And God Saw That It Was Good (Gen 1:12) Ilse Capek,Petr Sláma,2021-11-30 In this volume the concept of quality is discussed both in the Bible and in the scholarship that evolved around the Bible Scholars of various backgrounds analyse the Bible and its narrative and enumerative or legal way of qualifying the world around According to the intrinsic theological view of the Bible it is God himself who is the touchstone of any qualitative judgement From literary and historical point of view though we can and we often do judge Bible and things around us differently The volume presents an intersection of biblical theology biblical criticism and biblical archaeology in their quest for their respective renditions of quality

And God Saw That It Was Good Ken Ham,1998-04 See the Good Zach Windahl,2022-11-15 Do you think the world is getting better or worse Is it becoming easier or harder to be a Christian So many of us fear where things are headed in the culture the church and our own lives But did you know the world is getting better in countless ways No that is not a typo What could change if we focused on the good After almost losing his mother to cancer and wrestling with his own faith Zach Windahl learned to take whatever life threw at him and chose to be joyful With vibrant and inspiring storytelling See the Good will show you not only how but why you should focus on the positive and see the extraordinary in everything around you Life is hard there s no denying that But choosing to put our focus on the good leads to the profound benefits that come from seeing life as an amazing gift from the One who loves us best
