And His Love Shone Down:

And His Love Shone Down Elisabeth Barret, Elizabeth Barrett, Victoria Bovard, 1997 **With Love, All Things Are Possible** Anna Hartt, 2024-09-22 In our struggling world we are responsible to bring God's love and Christ's light into a world that seems to have forgotten this task to foster more secular responses to the world's problems. Many of us try to do everything by ourselves and soon realize we cannot do much without God's help. This book speaks to real life issues that need our individual and national attention. The needs of our children, the sacrifices of the military, struggling families, the power of prayer, the importance of mission work, ubuntu, possibilities to solve problems, core values in the Word, the value of Christian holidays, and the effects of COVID on ourselves, the nation, and the world. Fears and doubts are not answers to our problems, but all things are possible with love. With her own prayers, poems, and philosophies, and various Biblical texts, the author encourages all to see that with Jesus Christ's love, light, hope, peace, and grace, all things are possible when we open our hearts to God and others. Creating a beautiful world for us, God gave us free will so that we might grow in the wisdom of His Word and laws. We must love one another and be Christ with flesh on. Anger, hatred, violence, and malicious words will not create a better world; only love can. COVID taught us that we are because of so many people. Americans and the nation have been given much, and with that abundance, much is expected of us. *Born to be Knighted* Andrew Jollymore, 2022-08-30 Jessie exited the forest onto his dad's field. The sight before him left him standing still in shock. Instead of a field full of corn, he was seeing soldiers all standing in a line facing him with many tents and campfires spread over the land. He always had an imagination and had adventures with it, but this was too real. No one moved, but a sound from the forest drew his attention. Clutching his backpack full of books, he watched a trail of fire coming toward him, and then men with swords and men on horseback all burning red went past him to the soldiers that stood nearby. Just then one of these burning soldiers drove a burning axe into his backpack and sent him flying. Was this the end of Jessie or just the beginning of the greatest adventure he would ever experience? 1 Page 1 of 216 **Musings of an Immigrant Seeker** Gerald Knoll, 2003-09 Just Give Me Jesus Anne Graham Lotz, 2009-04-27 How did the apostle John know that two thousand years after he lived, your life would need a fresh touch from God? How did John know that at the beginning of a new millennium, our lives would be so busy, our focus so divided, our bodies so tired, our minds so bombarded, our families so attacked, our relationships so strained, our churches so programmed that we would be desperate for the simplicity and the purity, the freedom, and the fulfillment of a life lived in Jesus' name? John probably didn't know. But God did. That's why He gives us Jesus. And that's why, as Anne Graham Lotz reveals, John's eyewitness account of Jesus' life is unmistakably relevant to your life today. The same Jesus who turned water into wine is the One who provides for your needs at this very moment. Enter into His life and find your soul refreshed with Living Water. This new edition of *Just Give Me Jesus* contains an in-depth devotional guide to help you explore the words of John in a personal and practical way, either on your own or in a group. You'll find inspiration and revelation as you study the
