And Now Well Play A Mans Game

Barbara Taylor Bradford

And Now Well Play A Mans Game:

A Man's Game John Brent, 1921 Now or Then Linda Zock, 2009-10-12 Season Marie is a beautiful but lonely woman. Even being a successful editor of a popular fashion magazine didn't take that feeling of loneliness away. She desperately wanted to meet the man of her dreams. One who would bring her happiness and the kind of love she had been searching for all of her life. In her spare time Season Marie read romance novels wishing for her own happy ending. She dreamed of being the belle of the ball and finding her own true love. But being the optimist she was she didn't think he would just come knocking on her door. Then one Saturday night after a few glasses of wine and finishing one of her books the strangest thing happened. As Season Marie rose from the couch to head for bed everything around her became surreal. Passing out she later woke to find herself 100 years in the past. That's when she met Lord Jonathan Drake. The man of her dreams. The kind of man she had been looking for all of her life. One who truly cared for her and loved her deeply. But could she really have somehow been transported back in time or was all of it just a dream.

Playing The Game Barbara Taylor Bradford, 2010-10-12 In New York Times bestselling author Barbara Taylor Bradford's new novel Annette Remington a London art consultant and private dealer is at the top of her game. She is considered a rising star in the international world of art and has a roster of wealthy clients who trust her judgment and her business acumen. Her success reaches new heights when a rare and long lost Rembrandt finds its way into her hands which she restores and sells for top dollar. Called the auction of the year Annette becomes the most talked about art dealer in the world. Annette is married to her mentor and personal champion the much older Marius Remington. For twenty years Marius has groomed her into the international art star that she has become. Not to mention saving her from a dark and gritty past. She is his pride and joy and as her best advisor it's with great care that he hand picks only the best journalist possible to do a profile on his beloved wife in a popular London Sunday newspaper. Jack Chalmers is a bit of a celebrity himself becoming one of the top journalists of his time. Marius believes only he will be able to capture the true brilliance of his lovely wife. But Marius never intends to put his marriage in jeopardy. How could he have known that the connection between Jack and Annette would ignite so many secrets. And how could he know that Jack would uncover a scandal that could ultimately destroy them all. Barbara Taylor Bradford does it again in this epic novel of seduction, passion and international intrigue. Playing the game has never been so thrilling.
