Films discussed in depth include Stanley Kubrick's *Spartacus*, Ridley Scott's *Gladiator* and Terry Jones's *Monty Python's Life of Brian*. A Companion to Ancient Greece and Rome on Screen Arthur J. Pomeroy, 2017-06-01 A comprehensive treatment of the Classical World in film and television. *A Companion to Ancient Greece and Rome on Screen* closely examines the films and TV shows centered on Greek and Roman cultures and explores the tension between pagan and Christian worlds. Written by a team of experts in their fields, this work considers productions that discuss social settings as reflections of their times and as indicative of the technical advances in production and the economics of film and television. Productions included are a mix of Hollywood and European spanning from the silent film era through modern day television series and topics discussed include Hollywood politics in film soundtrack and sound design, high art and low art, European art cinemas and the ancient world as comedy. Written for students of film and television as well as those interested in studies of ancient Rome and Greece. *A Companion to Ancient Greece and Rome on Screen* provides comprehensive current thinking on how the depiction of Ancient Greece and Rome on screen has developed over the past century. It reviews how films of the ancient world mirrored shifting attitudes towards Christianity, the impact of changing techniques in film production and fascinating explorations of science fiction and technical fantasy in the ancient world on popular TV shows like *Star Trek*, *Babylon 5*, *Battlestar Galactica* and *Dr Who*.

Televising Ancient Rome in the Twenty-First Century Lisa Maurice, 2025-10-31 Ever since HBO/BBC's *Rome* burst onto screens in 2005, Rome has appeared on television screens in a variety of dramatic productions. These utilise many of the elements of ancient Rome that were familiar to audiences from big screen epic movies but adapt them for a television genre in a manner that is characteristic of the the second millennium, playing on older tropes.

and merging them with new formats Where do such tropes come from and how have they been developed over time specifically on the small screen a medium that overlaps with but is substantially different from the cinema How have the changes in technology and the manner in which television is consumed by audiences influenced the productions Answering these questions and more this book examines the presentation of ancient Rome in primarily British and American television productions of the twenty first century exploring not only how they depict the ancient world but how the various programmes reflect aspects and concerns of contemporary society in which they are produced Through a series of nine different case studies it considers three main issues the miniseries format as television epic sexuality and gender in contemporary ancient Rome productions and specific national contexts Return of the Epic Film Andrew Elliot,2015-03-05 With the success of *Gladiator* both critics and scholars enthusiastically announced the return of a genre which had lain dormant for thirty years However this return raises important new questions which remain unanswered Why did the epic come back and why did it fall out of fashion Are these the same kinds of epics as the 1950s and 60s or are there aesthetic differences Can we treat *Kingdom of Heaven* 300 and *Thor* indiscriminately as one genre Are non Western histories like Hero and Mongol epics too Finally what precisely do we mean when we talk about the return of the epic film and why are they back The *Return of the Epic Film* offers a fresh way of thinking about a body of films which has dominated our screens for a decade With contributions from top scholars in the field the collection adopts a range of interdisciplinary perspectives to explore the epic film in the twenty first century Whither Quo Vadis? Ruth Scodel,Anja Bettenworth,2009-03-09 *Whither Quo Vadis* offers an engaging account of how the Roman world and its history are represented in film and the way in which the different adaptations reflect the shifting historical situations and ideological concerns of their own times Explores five surviving film adaptations Guazzoni's of 1912 D Annunzio Jacoby of 1925 Mervyn LeRoy's of 1951 the Italian TV mini series of 1985 by Franco Rossi and Kawalerowicz's 2001 Polish version Examines how these different versions interpret select from and modify the novel and the ancient sources on which it is based Offers an exceptionally clear view of how films have presented ancient Rome and how modern conditions determine its reception Looks at rare and archival material which has not previously received close scholarly attention **DK Rome** DK Travel,2025-09-23 Discover Rome a feast for the eyes soul and stomach Whether you want to wander through the ruins of the Roman Forum gaze up at the spectacular ceiling of the Sistine Chapel or taste the world famous food at the bustling markets of Campo de Fiori your DK Eyewitness travel guide makes sure you experience all that Rome has to offer An eternal city fusing ancient wonders with a busy modern metropolis Rome brings history to life like nowhere else Grab an espresso and immerse yourself in the exuberant street life navigating cobbled alleyways and popular piazzas Or for a more relaxing retreat stroll through the leafy expanses of Villa Borghese and unwind with a wine on a pavement caf Our annually updated guide brings Rome to life transporting you there like no other travel guide does with expert led insights and advice detailed breakdowns of all the must see sights photographs on practically
