The first section is an artist by artist anthology of classic pop songs with complete chart data and now shows every record's B side. Following is a year by year ranking of all the hits which includes each song's songwriter's. For the first time ever are the Top 10 charts for every week from 1940-54. And finally the complete story of the early pop albums chart is told artist by artist showing all chart data and every track from every album. *Billboard*, 2000-12-30. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. *Hit Songs, 1900-1955* Don Tyler, 2007-04-16. This is a chronology of the most famous songs from the years before rock n roll. The top hits for each year are described including vital information such as song origin, artist's and chart information. For many songs the author includes any web or library holdings of sheet music, covers, musical scores and free audio files. An extensive collection of biographical sketches follows providing performing credits, relevant professional awards and brief biographies for hundreds of the era's most popular performers, lyricists and composers. Includes an alphabetical song index and bibliography. *All Music Guide to Soul* Vladimir Bogdanov, 2003-08-01. This comprehensive guide is a must have for the legions of fans of the beloved and perennially popular music known as soul and rhythm blues. A member of the definitive All Music Guide series, the All Music Guide to Soul offers nearly 8,500 entertaining and informative reviews that lead readers to the best recordings by more than 1,500 artists and help them find new music to explore. Informative biographies, essays and music maps trace R & B's growth from its roots in blues and gospel through its flowering in Memphis and Motown to its many branches today. Complete discographies, note bootlegs, important out of print albums and import only releases. Extremely valuable and exhaustive. *The Christian Science Monitor*. *The International Who's Who in Popular Music 2002* Andy Gregory, 2002. *The International Who's Who in Popular Music 2002* offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry providing full biographical details on pop, rock, folk, jazz, dance, world and country artists. Over 5,000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music. *Let's Rock!* Richard Aquila, 2016-10-28. Rock roll was one of the most important cultural developments in post World War II America yet its origins are shrouded in myth and legend. *Let's Rock* reclaims the lost history of rock roll. Based on years of research as well as interviews with Bo Diddley, Pat Boone and other rock roll pioneers, the book offers new information and fresh perspectives about Elvis, the rise of rock roll and 1950s America. Rock roll is intertwined with the rise of a post World War II youth culture, the emergence of African Americans in society, the growth of consumer culture.

technological change the expansion of mass media and the rise of a Cold War culture that endorsed traditional values to guard against communism Richard Aquila's book demonstrates that early rock roll was not as rebellious as common wisdom has it The new sound reflected the conservatism and conformity of the 1950s as much as it did the era's conflict Rock roll supported centrist politics traditional values and mainstream attitudes toward race gender class and ethnicity The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs interests and pastimes Young and old alike were preoccupied by the same concerns tensions and insecurities Rock roll continues to permeate the fabric of modern life and understanding the music's origins reminds us of the common history we all share Music lovers who grew up during rock roll's early years as well as those who have come to it more recently will find Let's Rock an exciting historical and musical adventure
