Greta Garbo David Bret,2012-06-25 In the male oriented studio system Greta Garbo wielded a power no other actress has ever possessed before or since Be it producer director lover or journalist Garbo called the shots and when she decided that she was done with the whirlwind of life as Hollywood s darling she withdrew completely leaving her public begging for an encore that never came Though there have been numerous biographies of Garbo this is the first to investigate fully the two so called missing periods in the life of this most enigmatic of Hollywood stars the first during the late 1920s forcing MGM to employ a lookalike to conceal what was almost certainly a pregnancy the second during World War II when Garbo was employed by British Intelligence to track down Nazi sympathisers It also analyses in detail the original uncensored copies of Garbo s films with the exception of The Divine Woman of which no complete print survives and offers substantial evidence that John Gilbert was not in fact the great love of her life Rather her true affections lay with the gay Sapphic and Scandinavian members of her very intimate inner circle Using previously unsourced material along with anecdotes from friends and colleagues that have never before been published David Bret paints a rounded portrait of Garbo s childhood in Sweden her rise to stardom and her all too brief reign as queen of MGM Hers is a truly remarkable story recounted here with warmth intensity and unique insight **Ideal Beauty** Lois W. Banner,2023-09-15 One of the silver screen s greatest

beauties Greta Garbo was also one of its most profound enigmas A star in both silent pictures and talkies Garbo kept viewers riveted with understated performances that suggested deep melancholy and strong desires roiling just under the surface And offscreen the intensely private Garbo was perhaps even more mysterious and alluring as her retirement from Hollywood at age thirty six only fueled the public s fascination Ideal Beauty reveals the woman behind the mystique a woman who overcame an impoverished childhood to become a student at the Swedish Royal Dramatic Academy an actress in European films and ultimately a Hollywood star Chronicling her tough negotiations with Louis B Mayer at MGM it shows how Garbo carved out enough power in Hollywood to craft a distinctly new feminist screen presence in films like Queen Christina Banner draws on over ten years of in depth archival research in Sweden Germany France and the United States to demonstrate how away from the camera s glare Garbo s life was even more intriguing Ideal Beauty takes a fresh look at an icon who helped to define female beauty in the twentieth century and provides answers to much debated questions about Garbo s childhood sexuality career illnesses and breakdowns and spiritual awakening *Capote* Gerald Clarke,2021-09-15 The national bestselling biography and the basis for the film Capote starring Philip Seymour Hoffman in an Academy Award
