

Border Fetishisms

DP Hallahan

Border Fetishisms:

Border Fetishisms Patricia Spyer, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

Border Fetishisms Patricia Spyer, 2013-07-23 The essays in *Border Fetishisms* explore the cultural commercial political and erotic dimensions that distinguish fetish formations in fractured colonial and postcolonial spaces Spanning such topics as Surinamese conversion to Christianity to shoplifting in Georgian England to face the fetish the contributors neither demagicalize the fetish nor normalize the commodity Instead they call for the inclusion of material things as fetishes or not within the experience of human sufferings and joy Contributors Robert J Foster Webb Keane Susan Leg6 ne Annelies Moors Peter Pels William Pietz Adela Pinch Patricia Spyer Peter Stallybrass Michael Taussig

Taboo, 2000

The Border Reader Gilberto Rosas, Mireya Loza, 2023-09-18 The *Border Reader* brings together canonical and cutting edge humanities and social science scholarship on the US Mexico border region Spotlighting the vibrancy of border studies from the field's emergence to its enduring significance the essays mobilize feminist queer and critical ethnic studies perspectives to theorize the border as a site of epistemic rupture and knowledge production The chapters speak to how borders exist as regions where people and nation states negotiate power citizenship and questions of empire Among other topics these essays examine the lived experiences of the diverse undocumented people who move through and live in the border region trace the gendered and sexualized experiences of the border show how the US Mexico border has become a site of illegality where immigrant bodies become racialized and excluded and imagine anti and post border futures Foregrounding the interplay of scholarly inquiry and political urgency stemming from the borderlands The *Border Reader* presents a unique cross section of critical interventions on the region Contributors Leisy J Abrego Gloria E Anzald a Martha Balaguera Lionel Cant Leo R Chavez Ra l Fern ndez Rosa Linda Fregoso Roberto G Gonzales Gilbert G Gonzalez Ram n Guti rrez Kelly Lytle Hern ndez Jos E Lim n Mireya Loza Alejandro Lugo Eithne Luibh id Martha Menchaca Cecilia Menj var Natalia Molina Fiamma Montezemolo Am rico Paredes N stor Rodr guez Renato Rosaldo Gilberto Rosas Mar a Josefina Salda a Portillo Sonia Sald var Hull Alicia Schmidt Camacho Sayak Valencia Triana Carlos G V lez Ib ez Patricia Zavella

Archaeologies of Materiality Lynn Meskell, 2008-04-15 Drawing on social theory and offering numerous case studies *Archaeologies of Materiality* is one of the first books to explore materiality across time and space Demonstrates the saliency of materiality by linking it to concepts of landscape technology embodiment ritual and heritage Offers archaeological case studies ranging from prehistoric to contemporary contexts from Neo Assyria South Africa Argentina Panama and the United States Explores the idea of a material universe that is socially conceived and constructed but that also shapes human experience in daily practice

Borders Hastings Donnan, Thomas M. Wilson, 2021-03-10 Borders are where wars start as Primo Levi once wrote But they are also bridges that is sites for ongoing cultural exchange Anyone studying how nations and

states maintain distinct identities while adapting to new ideas and experiences knows that borders provide particularly revealing windows for the analysis of self and other In representing invisible demarcations between nations and peoples who may have much or very little in common borders exert a powerful influence and define how people think as well as what they do Without borders whether physical or symbolic nationalism could not exist nor could borders exist without nationalism Surprisingly there have been very few systematic or concerted efforts to review the experiences of nation and state at the local level of borders Drawing on examples from the US and Mexico Northern Ireland Israel and Palestine Spain and Morocco as well as various parts of Southeast Asia and Africa this timely book offers a comparative perspective on culture at state boundaries The authors examine the role of the state ethnicity transnationalism border symbols rituals and identity in an effort to understand how nationalism informs attitudes and behaviour at local national and international levels Soldiers customs agents smugglers tourists athletes shoppers and prostitutes all provide telling insights into the power relations of everyday life and what these relations say about borders This overview of the importance of borders to the construction of identity and culture will be an essential text for students and scholars in anthropology sociology political science geography nationalism and immigration studies

Living by the Sword Kristen Brooke Neuschel, 2020-11-15 Sharpen your knowledge of swords with Kristen B Neuschel as she takes you through a captivating 1 000 years of French and English history Living by the Sword reveals that warrior culture with the sword as its ultimate symbol was deeply rooted in ritual long before the introduction of gunpowder weapons transformed the battlefield Neuschel argues that objects have agency and that decoding their meaning involves seeing them in motion bought sold exchanged refurbished written about displayed and used in ceremony Drawing on evidence about swords from wills inventories records of armories and treasuries in the possession of nobles and royalty she explores the meanings people attached to them from the contexts in which they appeared These environments included other prestige goods such as tapestries jewels and tableware all used to construct and display status Living by the Sword draws on an exciting diversity of sources from archaeology military and social history literature and material culture studies to inspire students and educated lay readers including collectors and reenactors to stretch the boundaries of what they know as the war and culture genre

Cosmologies of Credit Julie Y. Chu, 2010-12-06 An ethnographic account of the logics and regimes of value propelling desires for transnational mobility largely via human smuggling networks throughout Fuzhou China

Gender and Jewelry Rebecca Ross Russell, 2010 Jewelry responds to our most primitive urges for control honor and sex It is at once the most ancient and most immediate of art forms one that is defined by its connection and interaction with the body In this sense it is inescapably political its meaning bound to the possibilities of the body it lies on Indeed the fate of the body is often bound to the jewelry This study looks at gender and jewelry in order to gain some understanding into how jewelry is constructed by and constructs not just a single society but human societies It will explore how societal traditions that have sprung up around jewelry and ornamentation have affected

the possibilities available to women across a broad spectrum of social and ethnic circumstances determining which have served women well and which are constrictive and destructive It also examines the possibilities for the intentional creation of feminist jewelry including an overview of the author s own work *Advertising Myths* Anne Cronin,2012-11-12 Advertising is often portrayed negatively as corrupting a mythically pure relationship between people and things In *Advertising Myths* Anne Cronin argues that it is better understood as a matrix of transformation that performs divisions in the social order and arranges classificatory regimes Focusing on consumption controversies Cronin contends that advertising is constituted of circuits of belief that flow between practitioners clients regulators consumers and academics Controversies such as those over tobacco and alcohol advertising she argues distil these beliefs and articulate with programmes of social engineering aimed at altering consumption patterns This book will be essential reading for students and academics of advertising and consumption

If you ally craving such a referred **Border Fetishisms** ebook that will come up with the money for you worth, get the enormously best seller from us currently from several preferred authors. If you want to droll books, lots of novels, tale, jokes, and more fictions collections are moreover launched, from best seller to one of the most current released.
