MIKE DASH

Borderlands The Ultimate Exploration Of The Unknown

Nick Redfern

Borderlands The Ultimate Exploration Of The Unknown:

Borderlands Mike Dash, 2000-11-07 Explore the Borderlands The charred remains of Helen Conway whose body exploded Was this a case of spontaneous combustion Discoveries of 130 foot long boa constrictors and twelve foot giant kangaroos What other species have gone undiscovered In England a town is pelted from the sky by hundreds of tiny rose colored frogs Is this a one time event an omen or a bizarre natural phenomenon Near death experiences lake monsters crop circles fairies visions of the Virgin Mary Using his vast research and privileged access to case files noted paranormal investigator Mike Dash has compiled this unprecedented collection of the most baffling puzzles of our time Touring the globe and sifting through a vast array of eyewitness accounts and film and photographic evidence Dash separates genuine cases from hoaxes and dares to record those macabre inexplicable and terrifying events where there is no other explanation except that what people saw heard and sometimes lived to tell about is true Cryptids - Mysterious Unknown Creatures Nicholas Dylan, 2023-05-22 What strange unknown creatures may still lurk in the dark uncharted corners of the world Bigfoot The Yeti The Thetis Lake Monster Shapeshifting Lizards Chupacabra Mokele Mbembe Sea monsters Lost dinosaurs Giant bats Let us explore the strange and fascinating world of cryptids with this book Cryptids Mysterious Unknown Creatures The Ultimate Collection on UFOs compiled from Wikipedia entries and published by by Dr Googelberg, 2012-06-11 Lots of information on sightings and everything from a scientific angle about them Compiled from Wikipediapages and published by DrGoogelberg *How Antigravity Built the Pyramids* Nick Redfern, 2025-09-12 Discover the Lost Secrets of the Ancients and the Time When Stones Floated High over Egypt Throughout history folklore and mystery tales have circulated of massive stones being moved through the air effortlessly by sound Bizarre Well yes it is That doesn't take away the fact that sound was and still remains the key to the construction of the pyramids of Egypt Stonehenge the stone figures of Easter Island and the massive stones at Baalbek Lebanon Were they the work of ancient humans or of equally ancient extraterrestrials *How Antigravity Built the Pyramids* delves into specific stories and theories A 9th century story of a mysterious papyrus with the power to move large stones at the Giza Necropolis The Mayan story of the construction of the Pyramid of the Magician said to be overseen by a small humanoid who could whistle large stones into place Native American stories of ancient priests being able to make stones light to move easily Author Nick Redfern argues it was not literally music and whistling that somehow raised large stones but both have one thing in common sound Acoustics Almost certainly acoustic levitation was at the heart of these incredible feats The truth of the science behind acoustic levitation was lost and forgotten for ages with little more left than fanciful tales of music whistles a curious papyrus and strange metal rods that could achieve incredible feats in the air Today we are finally starting to get a grasp on this incredible technology a technology that may have been the work of ancient humans aliens from faraway worlds or perhaps a combination of the two **UFOs** Karl Svozil, 2023-08-01 Unidentified phenomena in space in the Earth's atmosphere and in waters are too important to leave their exploration to the

military and scientific laypersons Their proper scientific study is important for a variety of reasons in particular scientists and the public at large need to know the basic facts to be informed about the way evidence is recorded and to understand the difference between reliable evidence and fiction as well as between plausible explanations and fantasy With this objective the book surveys the history of UFO observations the variety of recorded phenomena and recounts the efforts of investigative commissions and their published findings Although wild rumors are demystified in the process this is not an exercise in rumor bashing An open and at the same time critical mindset is the key Many narratives and hypothesis appear implausible relative to our present state of knowledge but this alone should not lead to their outright exclusion Thus the author also pays attention to UFO sightings that have so far eluded explanation in terms of known physics or meteorology Here the reader will encounter some of the more speculative but scientifically tenable proposals for example relating to sudden zigzag motion without apparent inertia or recognizable propulsion yet always with a clear guide to their plausibility Last but not least the book outlines plans and suggestions for future research capable of revealing the existence and intentions of extraterrestrial intelligences outer space engineers or technologies so far known only from science fiction

Control Nick

Redfern, 2018-04-01 A compelling look at the hidden schemes to control the masses Freedom of speech Free exercise of religion The right to peacefully assemble and to bear arms Free will is an integral part of democracy but how free are we really The NSA computer chips surveillance cameras search engines social media and major corporations spy on our every move and try to influence our every decision Big Ag and Big Pharma sell us food medication and drink of dubious benefits The media fake media and out right propaganda try to tell us what to think Our every computer key stroke and purchase is exploited A thorough review the history of government mind and population control and the modern acceleration of attempts to dominate the masses Control MKUltra Chemtrails and the Conspiracy to Suppress the Masses exposes the efforts of the government big corporations and the privileged few to manipulate the thoughts behaviors and actions of the population It investigates coercive methods and techniques from chemicals in our air food and water to tracking our every move purchase phone call and touch of a keyboard Shadowy government programs unexplained events and their chilling legacies are illuminated including MKUltra chemtrails HAARP NSA CIA NASA UFOs RFID chips Project Monarch Montauk Project government LSD experiments as well as Edward Snowden s exposure of the National Security Agency s top secret program of widespread surveillance NASA and a powerful group control of what we know or what we don t know about the secrets of outer space United States government military and intelligence use of drones to spy on our every outdoor activity The centuries long use of hypnosis and mind control to keep people in line through sex The use of high tech acoustic weapons to disperse crowds disable an individual in seconds and the sinister experiments to use them to control and enslave man Far reaching programs to monitor and record us in our very own homes through our phones computers and everyday appliances Plots designed to depopulate the human race through murderous viruses A careful plan to dumb down the population by

limiting access to the media banning books spying on libraries and denying crucial information on world history politics and more Big Pharma pushing the use mind altering medicines such as anti depressants mood altering drugs anti anxiety meds and sleeping pills to encourage lethargy and gain control A ruse designed to take away our freedoms under the guise of a bogus alien attack And much much more *N equals 1* Gerhard Mayer,2020-03 Single case studies have a long tradition in the field of parapsychology and anomalistics research Naturally thorough case studies do not usually provide hard evidence for the existence of paranormal effects However they demonstrate the dynamics of occurrence of such extraordinary phenomena and experiences in the living world This volume is intended to give an overview of the methodological peculiarities of anomalistic field research On the basis of historical and current case studies certain specific psychosocial dynamics and problems in this interesting and challenging field of research are presented and discussed In the Big Thicket Rob Riggs,2001-01-01 *The Humaniverse Guide To Better Reasoning and Decision Making* Keith Seland,2020-01-31 Do you know how thinking about the possibility of extraterrestrial life can help make better decisions in your everyday life The answer to this question will be the first of many that enlighten you and is found in the Introduction to The Humaniverse Guide to Better Reasoning and Decision Making Every person has to reconcile how to solve the many problems that arise daily in their lives These questions are structured like the hypotheses scientists use to enter into their investigations The Humaniverse Guide will immerse the reader by first demystifying the platform of science and show them the tools and methods scientists use to solve their problems answer their hypotheses Then The Humaniverse Guide engages the reader as the research scientist forensic investigator jury and judge in an actual investigation that of the extraterrestrial hypothesis Along its course The Humaniverse Guide will raise their level of knowledge inquiry and critical thinking to help them make sense of their environment in beneficial ways they never were aware of before The reader will own these new tools and larger skill set This can later help in applications to their own life situations and to make successful decisions With these themes The Humaniverse is situated for a global audience What sets The Humaniverse apart from other recent titles such as Ancient Alien Ancestors by Will Hart Timothy Good s Earth An Alien Enterprise Forbidden Science From Ancient Technologies to Free Energy as edited by J Douglas Kenyon and John B Alexander s UFOs Myths Conspiracies and Realities is that the reader will acquire an acute awareness of the history of science learn its methods then use their new tool sets the same way scientists do That user will also analyze a more extensive and pragmatic set of raw data and evidence facts observed and collected from millions of witnesses from all walks of life throughout recorded human history This is offered to help bridge the gaps in understanding and comfort level that currently exist among the general public and both the science communities and the extraterrestrial hypothesis The abundant utilities the reader user can obtain from The Humaniverse Guide help make those everyday decisions easier to obtain and better **Unseen Worlds** Kate Adams,2011-01-15 The book explores children s experiences of creative play fairies angels imaginary friends dreams seeing deceased relatives alongside

the more frightening realms of nightmares and the unexplained It breaks new ground by giving voice to children of various ages to express how they encounter these worlds and why they often keep them a secret

As recognized, adventure as without difficulty as experience nearly lesson, amusement, as well as bargain can be gotten by just checking out a ebook **Borderlands The Ultimate Exploration Of The Unknown** also it is not directly done, you could receive even more in the region of this life, in the region of the world.

We manage to pay for you this proper as without difficulty as simple artifice to get those all. We allow Borderlands The Ultimate Exploration Of The Unknown and numerous ebook collections from fictions to scientific research in any way. in the course of them is this Borderlands The Ultimate Exploration Of The Unknown that can be your partner.
