Operative Landscapes Alissa North, 2013-02-01 There are infinite ways to build a community yet the defining feature of any community is characteristically the landscape Whether it is a park a river corridor community gardens a plaza or a streetscape the public spaces where people interact provide a shared sense of ownership and the qualities of these spaces influence how the communities evolve In a systematic overview following the workflow sequence of open space projects the book explores the various types and levels of intervention from masterplanning to guerilla gardening and from land reclamation to building in existing fabric Case studies mostly from North America Europe and Asia accompany the introductory essays The emphasis is on strategies of interaction between landscape projects building development and urban planning resulting in neighborhoods and city quarters that offer a higher quality of life Beyond trendy theories on landscape urbanism or landscape infrastructure this book offers an unideological view on the pragmatic potentials of landscape design for enhancing the built environment

A History of Greatham Peter Gripton, 2007 The present day Parish of Greatham lies in the county of Hampshire on either side of the old Farnham Surrey to Petersfield Turnpike The Domesday Book of 1086 recorded Greatham as being Terra Regis a Latin term meaning Land of the King indicating that this was once a Royal manor belonging to William the Conqueror himself In later years the manor passed through many families by marriage and by purchase including the Devenish Marshall Norton Freeland Love Chawner and Coryton families The name of the village has changed many times however slightly over the years Greteham Grietham Gretham Grutham Gratham all derived from two separate words the Old English Anglo Saxon ham meaning village estate manor or homestead and an old Scandinavian word griot or gryt meaning stones or stony ground Thus the name Greotham came into being literally a stony estate or farm on gravel
