Born Under Hitler:

Born Under a Black Cloud and Then I Married Hitler's Daughter Stanley Marvin Coren, 2021-03-07 The primary reason for writing this book was to describe the difficult circumstances I have encountered in every endeavor that eventually ended my quest for success Although I never failed in any challenge the end was always predictable I was always doomed to be the loser My attempts to achieve success were always to follow clearly marked paths that numerous people before me had followed and found success They achieved their goals It never worked for me In every endeavor I began with the full knowledge of how I was to proceed and operate until some unforeseen problem interfered I thought that I was a success in the Race to the moon until that race was cancelled by a war I was overcome by flood from a broken water main that destroyed my business A sudden change in the law that at first protected my business and then later denied it A sudden fire in an adjacent building destroyed the roof of my business A change in how computers made life amazingly good was replaced by cell phones It appeared that somehow I was not meant to be a success My Reason Even before I was born my goal was to be born but that was quickly changed to mere survival My mother attempted an early abortion by bathing in a tub that was filled with a laundry lye soap that was definitely a method used to kill the unborn child within her but it ultimately failed and I was born Of course I never knew about this even till much later in my life I then began my life not knowing that every future opportunity was predestined to not come to fruition I never understood that my path to success was under the path of my personal Dark Cloud My first marriage was wonderful until several years later my wife learned of how she was born and the infamous circumstance that permitted her birth was enough to destroy everything two years later Marvin Coren **Born into Hitler's War** Gisela Wicks, 2014-03-12 This memoir is the story of my childhood and teen years It begins when I was very young with my parents divorce then goes on to living with a spiteful and unloving stepmother World War II my father being wounded the fear of the approaching Russian front our fleeing from them and bombings After the end of war as we tried to make our way back home I was terrified of the Russian soldiers and war prisoners who roamed our countryside I feared my father would be shot or imprisoned I listened to women screaming for help while being raped I endured the sorrow of losing my beloved father followed by living with my stepmother's cruelty My agony ended with the happy reunion with my real mother my sister Oma my loving grandmother and family After WWII ended my family and I lived behind the Iron Curtain in East Germany under the Russian occupation Stalin's Iron Fist His communist regime imposed such strict isolation and extreme hunger on us that in June of 1953 the citizens of East Germany waged an unsuccessful uprising to gain freedom from Russia and communism Finally in the fall of 1953 when I was eighteen we escaped to West Germany These are the memories of my childhood and teen years Doctors Under Hitler Michael H. Kater, 2005-10-12 A brilliant attempt to explain the profound historical crisis into which medicine had plummeted during the Nazi period with the tried methods of social history Historische Zeitschrift The author has drawn from an extraordinary range of sources and the weight of

evidence he compiles will certainly give pause to anyone who still wants to believe that professionals kept their hands clean in this era of great and methodical crimes Journal of Modern History Kater's important book deserves close attention from historians of medicine and German historians alike Isis In this history of medicine and the medical profession in the Third Reich Michael Kater examines the career patterns educational training professional organization and political socialization of German physicians under Hitler His discussion ranges widely from doctors who participated in Nazi atrocities to those who actively resisted the regime's perversion of healing to the vast majority whose ideology and behavior fell somewhere between the two extremes He also takes a chilling look at the post Hitler medical establishment's problematic relationship to the Nazi past

Hitler, the man who shouldn't have been born Evi Crotti, Alberto Magni, 2018-02-08 Hitler the man who shouldn't have been born Un'opera inedita sulla personalit  di Adolf Hitler dall'infanzia fino alla morte per non dimenticare come sia facile superare la linea di confine tra bene e male Oltre all'analisi del dittatore nazista sono analizzate firme e scritture di alcuni suoi collaboratori Goering Himmler Mengele Bormann Rommel oltre alla sua compagna Eva Braun Un'opera curiosa originale e intrigante ma di facile lettura Hitler the man who shouldn't have been born The book presents an unpublished profile of Adolf Hitler personality from infancy to death The take home message is not to forget how easy it is to overcome the line between good and evil In addition to the analysis of the Nazi dictator the book collects and analyses some writings and signatures of a pool of Hitler collaborators such as Goering Himmler Mengele Bormann Rommel as well as of his partner Mrs Eva Braun Hitler the man who shouldn't have been born is a curious original and intriguing work easy to read

A Childhood Under Hitler and Stalin Michael Wieck, 2003 A bestseller in Germany Michael Wieck's account of his childhood in K nigsberg recalls a German city obliterated by fire bombing during the Second World War As the child of a Jewish mother and Gentile father Wieck was persecuted first as a certified Jew by the Nazis then as a German by the Russian occupiers including horrific internment in the Rothenstein concentration camp His emigration to the West in 1948 marked the end of the 408 year history of the Jewish community in K nigsberg From the earliest delights of a childhood filled with music family and the smell of pines and the sea Wieck retraces his life He tells of his school days and their sudden end the shock of Kristallnacht his Aunt Fanny being sent by train to a destination unknown the chemical factory where Jewish workers gradually disappeared the bombs falling on K nigsberg The Russian occupation was anything but the expected delivery from the horrors of the war In the midst of privation savagery and death there were moments of absurdity and Wieck powerfully depicts them in this unforgettable memoir

Christianity in Hitler's Ideology Mikael Nilsson, 2024-06-27 This ambitious study analyses Hitler's ideological relationship to Jesus and reconsiders the core beliefs of National Socialism

Hitler and the Occult Ken Anderson, 2010-10-05 Journalist Ken Anderson analyzes claims made by historian Trevor Ravenscroft and others that the Holy Lance which is said to have pierced the side of Jesus Christ took center stage in Hitler's life and was the focal point of Hitler's ambitions to conquer the world In addition to pointing out the flaws in this theory Anderson questions

the veracity of the biblical story of the lance Was there some meaning behind the flight of Hitler deputy Rudolf Hess to Britain Hitler s supposed extrasensory perception his choice of the swastika as the Nazi symbol the superman who haunted the Fuhrer the use of Nostradamus in propaganda the way Americans were taken in by the astrological propaganda war and strange similarities between Hitler and Charlie Chaplin Anderson offers rational explanations for these alleged strange events and powers demonstrating that they cannot be attributed to Hitler Who's Who in Nazi Germany Robert S.
