Williams,2009 This is the first book to concentrate exclusively on texts about Boudica and to cover the full chronological range from the first surviving historical

account by Tacitus in AD 98 to the triumphant conclusion of Manda Scott's series of novels in 2006. All our knowledge of the ancient British queen Boudica and her ferocious yet ultimately unsuccessful rebellion against the Romans is derived from a few accounts in ancient Greek and Latin. Yet they have inspired a flood of history-fictional narrative drama and poetry and there is no indication that the process has ended. This study illuminates and celebrates the rich variety generated by the creative tensions between writers' knowledge and their individual tastes, beliefs, and political or artistic aims, and considers whether Boudica's textual metamorphoses are without limits or variations on a distinctive theme bounded by a flexible yet enduring narrative pattern.

Book Jacket Dreaming the Hound Manda Scott, 2011-02-11 AD 57 Caradoc is lost forever, betrayed to Rome and exiled in Gaul, leaving Boudica bereft to lead the tribes of the west in an increasingly bloody resistance against Roman occupation. Only if she can drive Rome from the land will she find the peace she needs, and to do that she must raise once again the tribes of the east. Her people, the Eboraci, languish in the shadow of the Legions led by a man who proclaims himself King and yet allows slavers to trade freely in his lands. Too notorious to reclaim her own birthright, Boudica strives instead to return her daughters to their heritage. Across the sea, Boudica's half brother, Banna, has been named traitor by both sides. He too seeks peace on a journey that takes him from the dreaming tombs of the ancestors to the cave of a god he no longer serves. Only if Boudica and Banna meet can their people and all of Britannia be saved. But the new governor has been ordered to subdue the tribes or die in the attempt, and he has twenty thousand legionaries ready to stop anyone, however determined, from bringing Britain to the edge of revolt.

Dreaming the Serpent-Spear Manda Scott, 2007-05-01 It has been twenty years since the Romans first occupied Britannia and the rebellion by Boudica and her people nears its bloody climax. Now as the Roman army marches on Mona, the last protected village in Britannia, the only hope for her nation lies with Boudica. With so much to lose—the very lives of her children and an entire culture on the verge of obliteration—Boudica must find a way to save her people. In doing so, she will change the face of history forever.

Into The Fire Manda Scott, 2015-06-18 There is a secret hidden within a body burning within the flames that will change history forever. 2014 In the French city of Orléans, a man's charred corpse is found in a burned-out hotel, stripped of all ID. Police captain Inès Picaut must hunt down his killer before others fall prey to the fire. She has only one clue: the name of a woman who has been dead for over five hundred years. 1429 Joan of Arc is taking the war to the English. They want her dead, but the only way to reach her is through a fiercely loyal inner circle until undercover spy Tomas Rustbeard finally earns her trust. The myths of the past hold the key to the mystery of the present, but how many must die before the truth is laid bare.
