economy that gave rise to a president who rules like an autocrat The View from Flyover Country is necessary reading for anyone who believes that the only way for America to fix its problems is to first discuss them with honesty and compassion Please put everything aside and try to get ahold of Sarah Kendzior's collected essays The View from Flyover Country I have rarely come across writing that is as urgent and beautifully expressed What makes Kendzior's writing so truly important is that it documents where the problem lies by somebody who lives there The Wire Sarah Kendzior is as harsh and tenacious a critic of the Trump administration as you'll find She isn't some new kid on the political block or a controversy machine Rather she is a widely published journalist and anthropologist who has spent much of her life studying authoritarianism Columbia Tribune
