A Packet For Ezra Pound:

A Packet for Ezra Pound William Butler Yeats, 1970 *Literature and Life*, 1929 *Modernist Alchemy* Timothy Materer, 1995 All of these poets Timothy Materer says approached the occult with a modernist sophistication and a self consciousness that are not entirely credulous nor entirely skeptical *Language, Sexuality, and Ideology in Ezra Pound's Cantos* Jean-Michel Rabaté, 1986-01-01 Ezra Pound's Cantos remains among the most influential and difficult of twentieth century poetic writings But now for the first time Rabaté's powerful and original study presents a theory of reading adequate to the challenge of Pound's writing Using elements from Lacanian psycho analysis and Heidegger's powerful meditation of poetry and language this book constructs a theory of reading which both gives full force to the strategies of writing deployed in the Cantos and to the historical and political situations to which those strategies are a response This study provides a fresh reading of the familiar Pound canon Homer Dante Ovid but also of the less well known Ruskin Browning Frobenius Pound's practice of quotation is understood in the context of a new poetic discourse characterized by parapraxis ellipsis condensation and autonomous voices which refer the division of the speaking subject back to an omniform intellect capable of taking on any new personality at will Crucial to an understanding of Pound's situation is the relationship between Chinese and Greek culture an analysis of which allows Rabaté to elaborate the tragic dimension in Pound's life and works This book also parallels and contrasts Pound with his major contemporaries such as Eliot and Joyce and with his immediate heirs like William Carlos Williams H D Zukofsky and Olson *A Packet of Poems for Ezra Pound* Catherine Paul, Justin Kishbaugh, 2018-05-08 This volume offers a selection of poems read on the evening of July 8 2015 at the 26th biannual Ezra Pound International Conference held in Dorf Tirol Italy Poets include Pound's daughter Mary de Rachewiltz his granddaughter Patrizia de Rachewiltz David Moody and John Gery among others **Yeats** Richard J. Finneran, 1998 A new volume in the distinguished annual that presents the latest and best Yeats criticism Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing

for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound s reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society

W. B. Yeats Alexander Norman Jeffares,1997 This set comprises of 40 volumes covering nineteenth and twentieth century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995

Modernism Lawrence Rainey,2005-07-15 Modernism An Anthology is the most comprehensive anthology of Anglo American modernism ever to be published Amply represents the giants of modernism James Joyce Gertrude Stein Virginia Woolf T S Eliot Ezra Pound Wallace Stevens Marianne Moore Samuel Beckett Includes a generous selection of Continental texts enabling readers to trace modernism s dialogue with the Futurists the Dadaists the Surrealists and the Frankfurt School Supported by helpful annotations and an extensive bibliography Allows readers to encounter anew the extraordinary revolution in language that transformed the aesthetics of the modern world

The Poets of Rapallo Lauren Arrington,2021 Explores W B Yeats and Ezra Pound s relationship as played out against the backdrop of Mussolini s Italy in the 1920s and 1930s and shows how Yeats Pound and others in their Italian network developed a late modernist style aimed at effecting world change
