This updated revision contains brief but articulate discussions of the role of music in the church, the variety and nature of music ministries, people, cantor, choirs, organists, directors, instrumentalists, clergy, and music committees; principles for the selection of hymns, psalms, canticles, and other service music; and their sources in materials from CPI and beyond; guidance for planning services for all rites of the church in the BCP and the Book of Occasional Services. Updated revision includes hymnals, electronic resources, and materials published since *The Hymnal* 1982. *Do You Believe?* Nancy Ann McLaughlin, 2006
