A Mystical Journey Behind The Mind What Is Beyond:

Mystical Journey Behind the Mind Steve Benifiel, 2004-10-01 If asked do you like sex what would be your answer Is it the sex you like or the 3 to 5 seconds of going away that occurs at the climax of sex To climax is to stop The sex stops at the arrival of the 3 to 5 seconds of the going away If the 3 to 5 seconds of going away is absent would you engage in sex for any other reason than to procreate So is it the sex or the going away you like It is not noticed yet they are separate events Today you go away for 3 to 5 seconds and return is it possible to go away and not return Sure it is very simple You simply have not been shown If asked what is behind the mind will your response be nothing Have you ever has a knowing come to your mind Where did it come from if not from behind the mind You are the proof that there is something behind the mind The book you are holding is about you The only thing missing from your life is YOU **A Mystical Journey** M.
