A Personal Journey With Apostle Paul:

THE LIFE OF THE APOSTLE PAUL James Stalker, Edward D. Andrews, 2016-08-19 **The Spirituality of Paul** Leslie Hardin, 2016 The traditional venues for making sense of the complicated apostle Paul are history and theology. Indeed, one cannot understand him apart from either. However, something is still missing from our portrait of Paul. Rather than thinking of Paul as a theologian and an apostle, Leslie Hardin argues there is great benefit in approaching him as a disciple, a Spirit-filled man who wanted to pass vibrant spirituality on to those he encountered. In *The Spirituality of Paul*, Hardin uncovers the things Paul practiced in his own life and those he taught his followers in order to attempt to live an authentic Spirit-filled Christian life. Hardin points out that in order to foster the power of the Spirit, Paul like each of us had to dedicate himself to everyday routines and practices. What were those spiritual disciplines? How did they help him? And how might they be applied in our modern lives to bring us closer to Christ? Whether a general reader or mature believer, the reader of this book will find Paul to be a true brother, a fellow sinner receiving grace.

A Theologian and a Baseball Fan Dan Flanagan, 2022-05-06 There are a number of baseball players who live out a profound faith There are also people of faith who love the game of baseball To find people who understand the nuances of the game of baseball through a framework of theology is unique A Theologian and a Baseball Fan What Could Go Wrong explores aspects of the game of baseball that evoke images from biblical stories and theological themes Using a theological framework to analyze the game of baseball provides a much more interesting if not deeper experience of the game It is much more than a game from this perspective It is much more than life Baseball becomes a reflection of the deepest meaning of life Both baseball and faith can be described as journeys The journey of faith begins in the wilderness as we pursue the call of God in our lives The journey of baseball comes on two levels one as a player striving to become a major leaguer and two as a fan whose love of baseball may be generational or dream inspired or both We begin with the journeys of faith and baseball in section 1 Section 2 looks at the social and cultural context of faith and baseball Both have experienced and initiated social change Section 3 identifies how baseball and faith deal with rule breakers or sinners Section 4 shows the relationship between baseball and faith in their unusual personalities and goals of perfection Section 5 is a potpourri of theological images that can be found in baseball Finally any theological discussion requires consideration of sacrament Maybe surprisingly there are sacramental images in baseball On one level A Theologian and a Baseball Fan What Could Go Wrong is an autobiography of Dan Flanagan He traces how he was first introduced to baseball

through his playing days and into his professional involvement in broadcasting which gave him access to major league baseball in a way he was unable to achieve as a player His multiple universes of interest come together in this book His years of biblical teaching is evident The breadth of his reading adds interest His years of playing the game provides a flavor of legitimacy of one who knows the game of baseball A Theologian and a Baseball Fan What Could Go Wrong will challenge you and entertain you as a baseball fan and as a person of faith It will expand your love of both
