**A Prophet Operating at a Loss** Zane Bond, 1992      *Working With Crisis and Trauma From an Islāmic Perspective* Zarina Hassem, Shireen Ismail, Nabeela Vad Walla, G. Hussein Rassool, 2025-08-18 Working with Crisis and Trauma from an Islāmic Perspective provides a holistic framework and treatment methods for working with trauma and crises framed within an Islāmic Psychology paradigm This book begins by conceptualising trauma and existing models of understanding treatment and then places trauma and crises within an Islāmic viewpoint The authors focus on the Qur'ān, the Sunnah and Islāmic Psychology to rationalise and explain the effects of trauma and how it presents while proposing treatment methods within this context The final chapter uses case studies to illustrate practical applications and includes coping strategies directly from authentic Islāmic sources and the sixth chapter focuses on the legacy of trauma in terms of post traumatic growth This book will be essential reading for professionals in the fields of psychology and mental health looking to understand how Islāmic Psychology practices can be presented as a treatment intervention for patients experiencing trauma and gain insight into how to incorporate these protocols into their own practice

**Prophet and Loss** David E. Woolverton, 2024-02-12 Being a mission driven leader is hard Being a mission driven leader who knows how to navigate the emotions of loss and grief connected to leadership is harder still It takes a vulnerable leader to lead well one who has faced into their own losses and can let those losses equip their character for God's greater plans Not all leaders are willing Not all leaders are able Yet according to David Woolverton leaders vulnerability to the emotional processes of grief is essential for the overall health of the organizations they lead and for the well being and discipleship of those under their direction Grief he says is best viewed as a mosaic where each of our significant losses forms a constellation of tiles that when seen together over time helps tell a story of God's redemptive love grace and mission a story desperately needed within today's post pandemic angst Using Elisabeth Kubler Ross's five stages of grief denial anger bargaining depression and acceptance as a guide along with five biblical prophet mentors Woolverton presents five strategies to equip pastors and leaders in negotiating with their losses to attain organizational resilience sustainability and vibrancy

**The Practice of Prophetic Imagination** Walter Brueggemann, 2012-06-01 Walter Brueggemann declares that the necessary character of truly prophetic preaching today is a contestation between narratives If the dominant narrative of our time promotes national self sufficiency through militarism and personal self sufficiency through consumerism it must be opposed by a different narrative Prophetic preaching takes its stand in a world claimed by a God who is gracious uncompromising and real Brueggemann writes here for leaders in faith

communities who bear the responsibility of preaching He describes the discipline of a prophetic imagination in an unflinchingly realistic unwaveringly candid manner
