Justification and Acceptance with God; or, an inquiry into the relative value of the death ... of Christ ... By a Student of Scripture, 1865 *A Man Approved Of God* David J. Keyser, 2007-10 David J Keyser Ph D Christian Theology

This book is about the humanity of Jesus Christ The Christian Church has neglected this important Christian truth for too long An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity He is indeed Divine But it is a costly mistake to forget about his humanity it is here that we find our identity with Him ISBN 9780615164557 Dr David J Keyser has served as an international theology teacher and college adjunct faculty His earned degrees include a B S an M Div an M S a Th M and a Ph D in Systematic Theology with a specialization in Pneumatology the study of The Holy Spirit from the University of Saint Andrews in Scotland Presbyterianism s oldest University His interests include the humanity of Christ The Holy Spirit and Biblical fiction **A Bible Study Investigation into Our Relationship to God and into "The Time of the End"** Trevor Pope, 2011-03-24

Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel s forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord s return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord s appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord s return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun **The Cause of God and Truth** John Gill, 1842 **Embracing the Love of God** James B. Smith, 2008-06-24

In today s world many people fail to experience the powerful freedom and healing of God s grace Even Christians too often experience judgment rather than the love that is the vital essence of Christian life This visionary guide calls believers back to the basics understanding the promise of God s love to transform our most important relationships and fulfill our deepest spiritual needs The moving insights found within illuminate the gentle nature of God s love and teach readers how to continue on the path of love by embracing it day by day *Claiming God* Christine Helmer, Shannon Craigo-Snell, 2022-11-09 Marilyn McCord Adams 1943 2017 was a world renowned philosopher a theologian who forever changed conversations about God and evil a compelling preacher and a fierce advocate for the full belonging of LGBTQ people especially in churches Over the course of her career she mentored philosophers theologians pastors and activists In this book authors from each of these fields engage and expand upon McCord Adams s work Chapters address theodicy and

the Holocaust the nature and limits of human free will sexual violence Trinitarian relations beatific vision friendship climate change and how to protest heterosexism with truth humor and cookies Examples of McCord Adams s revised Episcopal liturgies previously unpublished are used to affirm the expansive love of God Accessible and varied these essays attest to McCord Adams s vocational integration as she claimed and proclaimed God s goodness in her different professional roles

Jensen,2024-07-16 It s likely the most difficult problem in the Christian faith It was a major reason that Bertrand Russell John Stuart Mill and countless others rejected Christianity It was an ax that began to chip away at Charles Darwin s early faith How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically A close examination of the Bible demonstrates this but it also rejects any form of universalism that trivializes personal obligations to God The first edition of Flirting with Universalism looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God universalism eternalism or traditionalism and annihilationism The second edition covers additional important arguments It concludes by taking a position between universalism and traditionalism God will forever honor the final choices of those who reject God and yet in the end all things will be reconciled to God The Bible affirms the goodness justice and love of God **The Complete Works of Menno Simons** Menno Simons,1871
