

Accessing AutoCAD Architectural Desktop™

RELEASE 2

Ideal for beginning through intermediate users, *Accessing AutoCAD Architectural Desktop Release 2* gives you a "nuts and bolts" introduction to essential commands and features of AutoCAD Architectural Desktop Release 2. Detailed examples and applications of commands for development of both residential and commercial buildings are included. Each chapter also features numerous tutorials that offer you hands-on opportunities to use your own Architectural Desktop software to develop each building, step-by-step, while outlining procedures necessary to create the associated architectural working drawings.

An accompanying CD-ROM contains drawing files you can use to complete the tutorials in the book, as well as the completed tutorials that may be referenced when you need assistance. Sample display configurations and layouts, sample layouts for mechanical, electrical, and plumbing drawings, plus sample wall styles are also included.

The essential introduction to AutoCAD Architectural Desktop Release 2 commands and features!
