Achieving God's Design for Marriage Harold Gillogly, Bette Gillogly, 1993-07-01 [Achieving God's Design for Marriage, Couples Guide](#) Harold Gillogly, Bette Gillogly, 1993-07-01 **I Promise** Gary Smalley, 2007-10-07 Make your marriage the safest place on earth Of all the best selling books and award winning videos Dr Gary Smalley has produced for couples I Promise is his most important and most revolutionary work ever A decade of focused research has brought him to this startling new conclusion Great marriages are built on a foundation of trust not behavioral skills So not only is a harmonious long lasting relationship within every couple s grasp but emotional security is the cornerstone for the relationship you ve always wanted That means you don t have to be a relationship guru to connect deeply with your spouse after all You simply need to feel secure in your marriage and to help your spouse do the same Then the best relationship possible will happen naturally Creating security is easier than you think It takes only five simple promises to each other Promises you can most certainly make promises this book will equip you to keep Writing in his trademark style Dr Smalley delivers a lifetime of information true experiences encouragement and wisdom for anyone who wants their marriage to be not just safe but the safest place on earth [Marriage as a Mission](#) Daniel Moore, 2025-10-11 Marriage was never meant to be an afterthought or simply a convenient arrangement between two people From the very beginning God designed marriage as a covenant a reflection of His love and a mission field in itself Yet in today s culture the beauty and purpose of marriage often get lost amid selfish desires broken commitments and competing voices about what marriage should be This book was born out of a deep conviction that marriage is more than just companionship it is a calling It is one of the clearest pictures we have of Christ s love for the church and it carries with it a responsibility to live out that truth daily My wife Michelle and I have been on this journey for over twenty years learning through joys and challenges alike that marriage is not about perfect spouses but about a perfect Savior working in and through imperfect people Marriage as a Mission is not a manual filled with quick fixes or surface level advice Instead it s an invitation to rediscover God s design for marriage and to embrace the role He intended it to play in our homes communities and the world Along the way you ll find biblical truths real life stories and practical applications to help you view your marriage as more than just a personal blessing it s a Kingdom assignment My prayer is that as you turn these pages you ll be reminded that your marriage has eternal significance Whether you re newlyweds seasoned spouses or somewhere in between may this book encourage you to walk hand in hand not just with each other but with the Lord as you live out your marriage as a mission *The Marriage Builder* Larry Crabb, 2009-08-08 Psychologist Larry Crabb cuts to the heart of the biblical view of marriage the one flesh relationship He argues convincingly that the deepest needs of human personality security and significance ultimately cannot be satisfied by a marriage partner We need to turn to the Lord rather than our spouse to satisfy our needs This frees both partners for soul oneness a commitment to minister to our spouse s needs rather than manipulating them to meet our own needs With soul oneness

comes renewed body oneness where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship The Marriage Builder also identifies three building blocks essential to constructing marriage the grace of God true marriage commitment and acceptance of one's mate Now for the first time discussion questions have been added to aid couples who want to come to deeper understanding of marriage Helpful to counselors and laypersons alike The Marriage Builder is for anyone who longs to transform marriage from trial to triumph
