

AUTONOMY

DEFINITION

Autonomy refers to the capacity of a person or entity to make decisions and act according to their own rules or principles, free from external control or influence. It emphasizes self-governance, independence, and personal freedom. In various contexts, it can pertain to individuals, groups, or machines. Many moral philosophies hold that it's a fundamental human right.

EXAMPLES

- **Personal Autonomy:** An individual choosing their career path based on passion rather than societal expectations.
- **National Autonomy:** A country making decisions about its internal policies without interference from external powers.
