*Away from it all* Cedric Belfrage, 1936      **Dirt, Undress, and Difference** Adeline Masquelier, 2005-12-20 A magnificent volume It offers brand new perspectives on body politics and identity or subjectivity formation in the post colonial world Dorothy Ko Barnard College While there is widespread interest in dress and hygiene as vehicles of cultural moral and political value little scholarly attention has been paid to cross cultural understandings of dirt and undress despite their equally important role in the fashioning of identity and difference The essays in this absorbing and thought provoking collection contribute new insights into the neglected topics of bodily treatments and transgressions In detailed ethnographic studies from around the world the contributors recast assumptions about filth and nakedness exploring how various forms of transgression associated with the body s surface are drawn up into relations of power and inequality They demonstrate imaginatively how body surfaces are powerfully mobilized in the making and unmaking of moral worlds      *Don't Worry, Be Happy* Jim Ford, 2006 Gives an account of a young man s travels This work chronicles all his fears frustrations and exhilarations along the way It is aimed at anyone considering a backpacking trip or anyone who likes a good laugh at someone else s expense      "Spain Mad": British Engagement with the Spanish Civil War Tom Buchanan, 2024-06-15 Taking inspiration from a police informer s comment that his workmates had gone Spain mad in response to the Spanish Civil War this book uses biographical studies to explore the nature of British engagement with the conflict The opening chapter presents a general analysis of the subject and assesses the available evidence Some 2400 Britons volunteered to fight in the conflict and some 500 died there Accordingly the International Brigades are well represented in the book with chapters on two of the commanders of the British Battalion Wilfred Macartney and Fred Copeman and the Anglo Canadian volunteer Frank Whitfield Two of the other subjects George Orwell and Felicia Browne fought in other units However the book shows that engagement in the Civil War could take many forms hence the chapters on the journalist Philip Jordan clergyman E O Iredell and the humanitarian activist and politician G T Garratt The remaining chapters look at three historians and writers who have shaped the understanding of the Civil War in Britain Orwell Hugh Thomas and Jim Fyrrth The book is based on extensive new research and many of these subjects have never previously been studied in any depth      **The Publishers Weekly**, 1937      *Bali and the Tourist Industry* David Shavit, 2019-07-18 The island of Bali s sensational image was created by the tourists artists and scholars who visited the tiny nation between the two world wars A Dutch colony from 1908 Bali was a source of revenue for the Dutch government which began to develop its image as the ultimate vacation spot The tourism industry spread the idea of Bali as a paradise in which noble happy spiritual Balinese all prodigiously creative artists lived in innocence Sensual images of beautiful people on an enchanted isle unspoiled by modernity predominated Bali also acquired a reputation as a homosexual paradise A host of books and articles fed these images of Bali until it evolved into one of the most romantic stops on the tourist itinerary The Balinese people however made little profit from the tourist traffic This

history of the development of tourism in Bali stretches from the Dutch occupation in 1906 to the Japanese occupation in 1942 After exhaustive research in published records and in unpublished letters diaries and oral histories left by many of the American and European visitors to the island as well as the Balinese residents the author explores the reasons for Bali s popularity among Westerners and their effects on the native culture     Literature of Journalism Price,Price, Warron C Price,1959     **National Union Catalog** ,1973 Includes entries for maps and atlases     Asia on Tour Tim Winter,Peggy Teo,T.C. Chang,2008-09-24 Examining domestic and intra regional tourism the book reveals how improvements in infrastructures ever increasing disposable incomes liberalized economies the inter connectivities of globalization and the lowering of borders both physical and political are now enabling millions of Asians to travel as tourists     **Whitaker's Cumulative Book List** ,1937
