Beckys Island:

Lake Winnepesaukee Bruce D. Heald, 2001 A world unto itself Lake Winnepesaukee and its environs have attracted and sustained a variety of cultures over the past centuries from early American Indian tribes to New World settlers to today's seasonal tourists Whether Indian hunter aspiring pioneer or modern day angler each in turn fell for the region's wild allure its sheer natural beauty fertile soils and waters teeming with an assortment of fish including great quantities of shad salmon pickerel smelt and trout Within this magnificent setting scores of hardy resolute frontier men and women worked tirelessly to fashion homes and towns along the bays tributaries islands and shoreline of the lake Lake Winnepesaukee documents the history of the region from its early Native American heritage to the lasting legacy of the first American settlers With over 150 accompanying illustrations the many stories recorded in this unique volume evoke memories of a simpler way of life when the lake was evolving from a scattering of humble villages like Laconia Meredith and Wolfeboro and just beginning to toy with a budding tourist industry Readers of many generations will enjoy reliving the early summer camps upstart businesses and the variety of entertainment and recreation the lake's waters have provided such as canoe trips steamships rides and ski boat adventures

Becky Finds Her Way Russ Tow, 2013 I'm Becky I'm about to start 7th grade and guess what I'm not even nervous I can hardly believe it If you'd have asked me three months ago in May how I was I would have said awful My best friend Sarah is cuter than me plus I have freckles that I hate my grades are terrible Daddy lost his job and Mom and Dad are always arguing and blaming each other for everything Could anything be worse You bet I'll lay it out for you Daddy moved out He was drinking every day and gambling on sports Mom told me he bets money he can't afford to lose I was sure it was all my fault I was getting terrible stomach aches and headaches I figured if I could just get better grades Mom and Dad would be happier and maybe everything would get better To top it all off my parents came up with the brilliant idea of sending me to Australia for the summer to stay with relatives I hardly even knew No way It's 1972 what parents would send their child half way around the world to the middle of nowhere Well I was in for some big surprises By the end of the summer I'd found out my relatives had some of the same problems as my own family and I learned there are healthy useful ways I can deal with it all I learn it isn't my fault And I come to have hope one day at a time And that boring island country they shipped me to I had a blast We spent weeks snorkeling off a deserted island and played tag with fish of every color in the rainbow I found deadly cone shells camped with tons of other travelers waiting for flooded bridges to reopen saw huge sea turtles lay eggs caught the biggest grouper fish with only a hand line netted yabbys survived a scary speedboat ride in the middle of an ocean storm and that's just the beginning Join my adventure You too might find joy and magic mixed with hope and the understanding that one day at a time each of us can find peace P S I've ended up loving my freckles

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
