Becoming Citizens The Emergence And Development Of The California Womens Movement 1880 1911

Gayle Gullett

Becoming Citizens The Emergence And Development Of The California Womens Movement 1880 1911:

Becoming Citizens Gayle Gullett, 2000-02-07 In 1880 Californians believed a woman safeguarded the Republic by maintaining a morally sound home Scarcely forty years later women in the state won full fledged citizenship and voting rights by stepping outside the home to engage in robust activism Gayle Gullett reveals how this enormous transformation came about and the ways women s search for a larger public life led to a flourishing women s movement in California Though voters rejected women s radical demand for citizenship in 1896 women rebuilt the movement in the early years of the twentieth century and forged critical bonds between activist women and the men involved in the urban Good Government movement This alliance formed the basis of progressivism with male Progressives helping to legitimize women s new public work by supporting their civic campaigns appointing women to public office and placing a suffrage referendum before the male electorate in 1911 Placing local developments in a national context *Becoming Citizens* illuminates the links between women s reform movements and progressivism in the American West

California Women and Politics Robert W. Cherny, 2011 An edited volume exploring the role women played in California politics in the late nineteenth and early twentieth centuries

Ellen Browning Scripps Molly McClain, 2019-12-01 Molly McClain tells the remarkable story of Ellen Browning Scripps 1836 1932 an American newspaperwoman feminist suffragist abolitionist and social reformer She used her fortune to support women s education the labor movement and public access to science the arts and education Born in London Scripps grew up in rural poverty on the Illinois prairie She went from rags to riches living out that cherished American story in which people pull themselves up by their bootstraps with audacity hard work and luck She and her brother E W Scripps built America s largest chain of newspapers linking midwestern industrial cities with booming towns in the West Less well known today than the papers started by Joseph Pulitzer and William Randolph Hearst Scripps newspapers transformed their owners into millionaires almost overnight By the 1920s Scripps was worth an estimated 30 million most of which she gave away She established the Scripps Institution of Oceanography in La Jolla California and appeared on the cover of Time magazine after founding Scripps College in Claremont California She also provided major financial support to organizations worldwide that promised to advance democratic principles and public education In *Ellen Browning Scripps* McClain brings to life an extraordinary woman who played a vital role in the history of women California and the American West

Class and Gender Politics in Progressive-Era Seattle John C. Putman, 2008-02-28 The dawn of the twentieth century saw enormous changes throughout the United States reflecting technological advances population growth widespread industrialization and the establishment of a national market economy In the Far West these changes combined with the rapid westward expansion of advanced capitalism and the impact of national political and economic pressures brought with them a period of political conflict social upheavals and labor struggles They also helped westerners define themselves their values and their relationship to the rest of the nation Seattle was one of the western cities that boomed during this period By the

end of the nineteenth century the city was home to several powerful and influential labor organizations as well as a vibrant middle class feminist movement In this turbulent interface of class gender politics and sometimes race residents struggled to cope with a changing social order and with differing and at times conflicting visions of what the West was supposed to be In this book historian John C Putman expands our understanding of the roles that gender and class played in the construction of progressive politics He also shows how regional differences in this case the unique environment of the Pacific Northwest contributed to Seattle s economic and political development The feminist and militant leftwing labor movements of progressive era Seattle and the volatile interactions between them represent much more than colorful events in the city s early history Here cross class reformist coalitions between labor radical forces and women were central to the way residents made sense of their changing environment and defined both the way they saw themselves and the way others perceived them *Class and Gender Politics in Progressive Era Seattle* is an essential contribution to our understanding of the creation of the modern West and the development of regional identity and self awareness **Seeing with Their Hearts** Maureen A.

Flanagan,2020-07-21 At the turn of the last century as industrialists and workers made Chicago the hardworking City of Big Shoulders celebrated by Carl Sandburg Chicago women articulated an alternative City of Homes in which the welfare of residents would be the municipal government s principal purpose *Seeing With Their Hearts* traces the formation of this vision from the relief efforts following the Chicago fire of 1871 through the many political battles of the Gilded Age and Progressive Era In the process it presses a new understanding of the roles of women in public life and writes a new history of urban America Heeding the call of activist Louise de Koven Bowen to become third class passengers on the train of life thousands of women put their shoulders to the wheel and their whole hearts into the work of fighting for better education worker protections clean air and water building safety health care and women s suffrage Though several well known activists appeared frequently in these initiatives Maureen Flanagan offers compelling evidence that women established a broad and durable solidarity that spanned differences of race class and political experience She also shows that these women emphasizing their common identity as women seeking a city amenable to the needs of women children families and homes pursued a vision and goals distinct from the reform agenda of Progressive male activists They fought hard and sometimes successfully in a variety of public places and sites of power winning victories from increased political clout and prenatal care to municipal garbage collection and pasteurized milk While telling the fascinating and in some cases previously untold stories of women activists during Chicago s formative period this book fundamentally recasts urban social and political history

Votes for College Women Kelly L. Marino,2024-04-09 This book explores the College Equal Suffrage League s work to advance the campaign for the Nineteenth Amendment and the woman suffrage activism of students and alumni at colleges universities and cities across the United States **Gendering the Fair** Tracey Jean Boisseau,Abigail M. Markwyn,2010 This field defining work opens the study of world s fairs to women s and gender history exploring the intersections of masculinity

femininity exoticism display and performance at these influential events As the first global gatherings of mass numbers of attendees world s fairs and expositions introduced cross class multi racial and mixed sex audiences to each other as well as to cultural concepts and breakthroughs in science and technology Gendering the Fair focuses on the manipulation of gender ideology as a crucial factor in the world s fairs incredible power to shape public opinions of nations government and culture Established and rising scholars working in a variety of disciplines and locales discuss how gender played a role in various countries exhibits and how these nations capitalized on opportunities to revise national and international understandings of womanhood Spanning several centuries and extending across the globe from Portugal to London and from Chicago to Paris the essays cover topics including women s work at the fairs the suffrage movement the intersection of faith gender and patriotism and the ability of fair organizers to manipulate fairgoers experience of the fairgrounds as gendered space The volume includes a foreword by preeminent world s fair historian Robert W Rydell Contributors are TJ Boisseau Anne Clendinning Lisa K Langlois Abigail M Markwyn Sarah J Moore Isabel Morais Mary Pepchinski Elisabeth Israels Perry Andrea G Radke Moss Alison Rowley and Anne Wohlcke

The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony Ann D. Gordon,2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26 1902 and three years later Susan B Anthony dies on March 13 1906 It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new challenges to an aristocracy of sex whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete

Suffrage and the City Lauren C. Santangelo,2019 In 1917 women won the vote in New York State Suffrage in the City explore how activists in New York City were instrumental in achieving this milestone Santangelo demonstrates how Manhattan was more than just a stage for suffrage action it was part of the drama

Making a Modern U.S. West Sarah Deutsch,2022 Making a Modern U S West surveys the history of the U S West from 1898 to 1940 centering what is often relegated to the margins in histories of the region the flows of people capital and ideas across borders
