Becoming Delinquent Young Offenders And The Correctional Process:

Becoming Delinquent Peter G. Garabedian, Don C. Gibbons, 2017-11-30 This book addresses the social experiences of juvenile offenders in the correctional machinery and the career effects these experiences have on offenders It follows offenders from apprehension through detention court appearance probation and institutionalization showing how the organizations operate the role definitions of the people who man them and the views of the correctional organizations held by members of the public It is a valuable supplement to courses in deviance criminology social problems and organizational analysis The book begins with the delinquent population and endeavours to identify the major characteristics of juvenile lawbreaking It separates youths who most often remain as hidden delinquents from those who are observed and apprehended The text then moves through the major parts of the correctional machinery in much the same way as offenders are processed through it Information on each topic is marshalled in accordance with five dimensions the nature of the organization the perspectives of the consumer the public the perspective of the employees the perspectives of the offenders and the impact of the agency upon offenders Thus a major focus of the book is an organizational analysis a basic feature of the current sociological perspective This work on first publication in 1970 was one of the first to tackle the growing skepticism as to the beneficial aspects correctional institutions may have on the young offenders and the analysis of those benefits The readings attempt to show something of the impact of correctional experiences on juvenile delinquents and suggest that the overall effect is to drive deviants further into deviant activities rather than attaining the desired goal of rehabilitation

Becoming Delinquent Peter G. Garabedian, Don C. Gibbons, 1970 *Document Retrieval Index*, 1972

A National Assessment of Case Disposition and Classification in the Juvenile Justice System: Smith, C. P., Black, T. E., Weir, A. W. Results of a literature search Charles P. Smith, T. Edwin Black, Fred R. Campbell, 1979

Official Gazette Philippines, 2007 **A National Assessment of Case Disposition and Classification in the Juvenile Justice System: Process description and summary** Charles P. Smith, T. Edwin Black, Fred R. Campbell, 1979 *SNJ Documents* National Criminal Justice Reference Service (U.S.), 1978 *Psychological Therapy in Prisons and Other Settings* Joel Harvey, Kirsty Smedley, 2012-08-21 This book examines a range of therapeutic approaches used in prisons and other secure settings and explores the challenges in such work The approaches include Cognitive Behavioural Therapy CBT Cognitive Analytic Therapy CAT Attachment Based Psychodynamic Psychotherapy and Systemic Psychotherapy It provides insights into debates about providing therapy in prisons and other secure settings and discusses specific topics such as mental health in reach teams working with women in prison therapy within therapeutic communities and therapy with black and minority ethnic groups This book addresses developments in mental healthcare by the National Health Service NHS within prisons and on going policy developments which aim to improve access to psychological therapies for prisoners The contributors draw on experience both in clinical psychology and forensic psychology as well as psychotherapy and

criminology They draw on experience too in a range of environments including juvenile and young offender establishments local prisons and dispersal prisons Psychological Therapy in Prisons and Other Secure Settings will be essential reading for people who work to improve the psychological wellbeing of individuals in prisons and other secure settings

Encyclopedia of Criminology J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field s multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field

Retributivism Has a Past Michael Tonry, 2011-09-01 For nearly two centuries in the United States the punishment of crime was largely aimed in theory and in practice at prevention rehabilitation or incapacitation and deterrence In the mid 1970s a sharp and some argued permanent shift occurred Punishment in the criminal justice system became first and foremost about retribution Retribution trumped rehabilitation proportionality outweighed prevention The retributivist sea change was short lived however After a few decades some policy makers returned tentatively to individualized approaches to punishment launching initiatives like drug courts and programs for treatment and reentry Others promoted policies that retained the rhetoric but betrayed the theory punishment in proportion to culpability of retributivism resulting in mandatory minimum sentences three strikes and you re out laws dangerous offender and sexual predator laws truth in sentencing and life without the possibility of parole What now for retributivism Retributivism Has a Past Has It a Future brings thoughtfulness and rigor back into the retributivism debate This collection of essays trains some of the most influential and brightest established and up and coming legal and philosophical minds on how retributivism does might or should affect contemporary policy and practices The volume s aim is neither to condemn nor to justify but to take new policies and practices seriously and examine them closely At a time when criminal justice policy makers are forced to reconsider contemporary approaches to punishment and attempt to devise new ones Retributivism Has a Past Has It a Future offers serious theoretical critiques of the recent past and justifications for

possible futures

Getting the books **Becoming Delinquent Young Offenders And The Correctional Process** now is not type of inspiring means. You could not single-handedly going similar to ebook increase or library or borrowing from your contacts to edit them. This is an extremely easy means to specifically get lead by on-line.
