Morgan, 2020-02-04 Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders during defining moments in American history and reflects upon what these verses mean for us as a nation today 100 Bible Verses That Made America is a tour through the biblical roots of American history a powerful exploration of our country's founders leaders and the critical moments that laid the foundation for the formation of the USA Had there been no Bible there would be no America as we know it It is the Bible that made America When George Washington was sworn into office as our first president he did not place his hand on the Declaration of Independence or the Constitution of the United States as important as those documents are Instead he swore upon and even kissed the Bible to sanctify this important moment The Bible Washington knew had ushered American history to this point While not every Founding Father was a Christian each was knowledgeable about the Bible And while none of them was perfect many embraced a deep faith in the unfailing Word of God 100 Bible Verses That Made America contains Short devotional style chapters each featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J Morgan as he shares the Bible's role in the defining moments of American history and its impact on the people of our nation reminding us of the beauty of faith and country and reigniting our passion for both *The ^AOxford Handbook of the Bible in America* Paul Gutjahr, 2017-11-01 This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible's role in American cultural formation *America's Book* Mark A. Noll, 2022 Noll's magisterial work highlights not only the centrality of the Bible for the nation's most influential religious figures Methodist Francis Asbury Richard Allen of the African Methodist Episcopal Church Catholic Bishop Francis Kenrick Jewish scholar Solomon Schechter agnostic Robert Ingersoll but also why it was important for presidents like Abraham Lincoln notable American women like Harriet Beecher Stowe Elizabeth Cady Stanton and Frances Willard dedicated campaigners for civil rights like Frederick Douglass and Francis Grimké lesser known figures like Black authors Maria Stewart and Harriet Jacobs and a host of others of high estate and low *A Political History of the Bible in America* Paul D. Hanson, 2015-08-24 Biblical history enriched by many religious and cultural traditions flows into and is intertwined with our nation's epic both for better and for worse To ignore that history is to cut ourselves off from our roots and to deny the ancestral experiences that forged our individual and collective identity from the prologue This substantial work explores the interplay of religion and politics throughout the history of the United States Paul D Hanson traces American history back to colonial times paying close attention to the role that biblical tradition has played in shaping the national story of the United States He then presents a detailed study of politics in the Bible that is framed by the challenges and crises in American history Students will learn how deeply religion has influenced both domestic

and international policy and contributed to the nation's sense of identity and purpose. After laying these biblical historical foundations, Hanson considers a method of biblical interpretation that can speak to the diverse nation of today. He proposes an inclusive form of public moral discourse that invites full participation by members of all religious and philosophical groups.

Why America Still Matters to God Geoffery Broughton, 2017-09-29 WHAT IS GOD'S PLAN FOR THE UNITED STATES OF AMERICA? Just a blip on history's radar? Mystery Babylon? The Second Beast from the Book of Revelation? Or something else entirely? In today's troubled world, all eyes seem to be on the U.S. We are the lone superpower and the world's greatest nation. How does God see the United States? The Church in modern times views America through the lens of the secular world, not through the eyes of God. What place does the U.S. have in God's plan, and what role do we play in the End Times? Why has God blessed the United States with such prosperity as the world has never seen before? Is the United States really featured in scriptural prophecies? Is America worth saving? Read one pastor's seven-year-long journey to discover through biblical prophecy what role the United States will play in the End Times. An important resource for the End Times. A call to follow Christ. A warning for the United States. Sometime before the return of Christ, God will raise up a nation made up of people from all different nations. This nation will have a large population. It will be a military power. It will be known as a Christian Nation. It will be a very wealthy nation. It will not be called Israel. And it will be located on the opposite side of the globe from the Middle East.

America's First Bibles Edwin Rumball-Petre, 2000-12 *America's Founding Fathers and the Bible* Stephen A. Flick, Ph.D., 2017-01-04 Contrary to the contemporary mantra that America was birthed as a secular nation, the historical evidence demonstrates that America was founded by Christians who wished to enjoy the liberty to freely express their Christian faith. Lamentably, Christians have forgotten and neglected the Christian heritage bequeathed to them by America's Founding Fathers and have allowed secularists to disparage and deny what was given to them at such a great price. America's Founding Fathers and the Bible briefly describes a portion of America's Christian heritage, particularly during the rise of nationalism when America was shaping its national government. During this era, the Founding Fathers affirmed both the principles and practices of the Bible. By no means exhaustive, this work demonstrates that America's Founding Fathers clearly intended to perpetuate the Christian faith in both private and public observances. The Founding Fathers left a legacy of publicly honoring the principles of Christianity and fully intended that succeeding generations of Americans should do the same.

America in Bible Prophecy J. J. Jones, 2021-05-16 America in Bible Prophecy. God's Word in Revelation 13 reminds us that when the time is at hand for the fulfillment of the apocalyptic events spoken of in Scripture, that those events and symbolic representations will become more and more clear and understandable. That time, my friend, has arrived. Indeed, we're living in a time unprecedented in human history. A time when we're witnessing the convergence of prophecies that are setting the stage for the fulfillment of end-time events spoken of by Jesus, His apostles, and the Old Testament Prophets. America, the United States of Babylon Jeff Fairchild, 2021-03-19 Is America in Bible prophecy Although America is not specifically called by name anywhere in God's word most Bible prophecy teachers will admit that there is overwhelming evidence that certain scriptures concerning future events may pertain to the United States of America Why wouldn't the United States of America be in Bible prophecy The United States of America is the greatest country on the face of the earth today The United States of America was founded by Christians who believed in God They wrote the Constitution based on the Godly principles of life liberty and the pursuit of happiness America has evangelized the world Are you born again If not then you will be here during the 7 years of Great Tribulation when the antichrist will rule the world Do you live in America Then you will want to know what will happen to the greatest country on the face of the earth The Day of the Lord is at hand now is the time to repent and be baptized in the name of Jesus Christ which is to confess Jesus Christ as Lord in your life and to believe that God raised him from the dead Everyone who does not have Jesus Christ in their heart will stand before the Judgement Seat of God everyone who does have Jesus Christ in their heart has already been guaranteed eternal life in Heaven There's an old expression you can't take it with you when you go well that is true except for a few spiritual things The only things you can take with you when you go are your own salvation or if you help others get saved and your own fellowship relationship with God i.e. how much you have lived His Word in your life and whatever help and encouragement you've given to others to help them have a better relationship with God I John 1:1-7
