Byrne,2003-07 Bible Truths for Christian Schools ,1989 Next Level Leadership Training: Volume Two Rick Johnston,2015-04-28 Every local church requires leaders Many believers are given responsibility to lead but fail to sustain their leadership Developing the people who lead is essential to building strong churches and demonstrating the kingdom message to those who do not know Christ The nonpublic lifestyle of a leader is what vitally supports the public expression of his or her grace Jesus said Follow me and I will make you fishers of men Those three simple phrases are the essence of Rick Johnston s Next Level Leadership Training Johnston provides a syllabus for training such leaders Bible saturated lessons are the foundation of teaching Classroom interaction tips external resource suggestions and life implementation steps given at the end of each lesson provide the opportunity to increase in grace Theological foundations relationship building assignments and miracle demonstrations defined in this text provide a wide ranging training course for every local church **BEWARE OF THE MAN WITH ONLY ONE RELIGIOUS BOOK!** Louis S. S. Toth Ph.D,2020-11-15 The thesis of this book is that people and religions that have one religious book as guidance cannot be true in the larger sense of shared truth and that government that are faith based cannot represent all the people Free and open discussions and serious debate are essential for arriving at

truth and democratic government And religion is detrimental to world peace The discussions presented assert that there are many religions and that ALL their gods are pretend given arbitrary characteristics and new gods religions have been easily made by many persons who visit the desert wilderness mountain top or any place of solitude where they were able to receive god s calling without witnesses and then they decree that god wants to speak through them and only to them and echoed by their appointed priests If they can get gullible people to follow them and their god s rules they can establish their own religion and warriors The primary focus of the book s discussions will be to establish ground rules for establishing truth Then as examples discussions are presented with other explanations of miracles in order to reconsider some of the Bible dogma specifically attributed to Jehovah Moses Passover and the roles of all the gods involved in the story of the Exodus The Bible or Torah may tell a different story when we discount miracles and explain them with other real possibilities The conclusions may be different when we explore the plausibility that 1 Moses was the son of Pharaoh Amenhotep IV later called Akhenaten who converted Egypt to a monotheistic religion and Jochebed a lesser wife if married at all and that 2 Moses was an Aten Priest who killed King Tut The Exodus and Adam and Eve would have different explanations if Jehovah were not invented until on Mount Sinai in 1311 BCE Before the Common Era not In the Beginning of the existence of the world Also the Passover the Jews took in leaving Egypt would be logical if one sees Moses attempt to assert his claim to the pharaoh throne And the Jews wandering in the desert would be reasonable if one considers that they were advised and supported by Moses father in law Jethro who was the nomadic high priest of the Druze religion also a monotheistic type These possibilities are herein explored in some detail and the events are presented with a psychological history that includes the back stories motivation and relationships behind the characters and events These discussions encourage rational thought and open mindedness
