A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal

Historical Dictionary of Morocco Thomas K. Park, Aomar Boum, 2006-01-16 The Kingdom of Morocco achieved its independence in 1956 after over 40 years as a French protectorate Since its independence it has further expanded its area of control by reclaiming the formerly international city of Tangier as well as annexing Western Sahara from Spain in the 1970s In 1777 Morocco became the first nation to recognize the United States and the Moroccan American Treaty of Friendship of 1783 is the oldest unbroken friendship treaty with the U S Morocco of the past and present are covered in this second edition of the Historical Dictionary of Morocco A comprehensive introduction focusing on its history provides a helpful synopsis of the kingdom and is supplemented with a useful chronology of major events Hundreds of cross referenced dictionary entries on former rulers current leaders ancient capitals significant locations influential institutions and crucial aspects of the economy society culture and religion form the core of the book A bibliography of sources is included to promote further more specialized study

Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada s official languages Entries for unilingual works include a citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and

related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Forgotten Italians Konrad Eisenbichler, 2019-01-01 Scholarship on Italian emigration has generally omitted the Julian Dalmatians a group of Italians from Istria and Dalmatia two regions that in the wake of World War Two were ceded by Italy to Yugoslavia as part of its war reparations to that country Though Italians by language culture and traditions it seems that this group has been conveniently excised from history And yet Julian Dalmatians constitute an important element in twentieth century Italian history and represent a unique aspect of both Italian culture and emigration This ground breaking collection of articles from an international team of scholars opens the discussion on these forgotten Italians by briefly reviewing the history of their diaspora and then by examining the literary and artistic works they produced as immigrants to Canada Forgotten Italians offers new insights into such celebrated authors as Diego Bastianutti Mario Duliani Caterina Edwards and Gianni Angelo Grohovaz as well as visual artists such as Vittorio Fiorucci and Silvia Pecota Profoundly marked by the experience of being uprooted and forced into exile by life in refugee camps and by the encounter with a new culture first generation Julian Dalmatians in Canada used art and writing to come to terms with their anguished situation and to rediscover their cultural roots *Resources in Education* ,1990 Baudelaire F. W. Leakey, 1990-05-25 This book of linked essays contains the first critical study of Baudelaire's development as a poet from his youth onward It also includes studies of the development of Baudelaire's aesthetic detailed commentaries on a number of his finest poems and accounts of three intriguing and crucial encounters with notable contemporaries Three of the essays are previously unpublished and four very recent the other eleven have been thoroughly updated revised and in some cases substantially expanded Together they constitute a new and important contribution to the understanding and appreciation of Baudelaire's work Studies in French Literature Presented to H.
