Girl's Guide to Life Katie Meier,2004-02-01 A Girl s Guide to Life offers teen girls a new approach to facing their adolescent years It s a totally fresh totally complete resource on all the traumas and triumphs in teen girls lives The book is divided into Body Mind and Soul sections to address the relevant issues in each area of a young woman s life It s THE book for any girl wondering what s happening to her body soul and mind during these crazy years With space for journaling conversations with real teen girls Scripture challenges and more *Lessons Life Taught Me* Stacy L Moore,2020-03-06 Although watching their children grow up is scary for many parents most children can t wait to get grown They eagerly anticipate their independence so they can experience life on their own terms Very seldom however do these children consider the inherent hiccups that occur with growing up and often they don t fully understand just what it means to get

grown They assume adulthood i e being grown simply means turning 18 and saying I m grown They think doing grown up things is the same as being grown Real grown people however know that adulthood isn t as easy as it seems because being grown removes the safety net that our parents placed beneath us and places the full weight of financial and social responsibility on our shoulders I wish I had a dime for every student who came back and said they wish they could go back and be a child again because being grown is too hard I d be rich by now Being grown means you have a home and an address separate from your parents Being grown means your bills are in your own name and you are responsible for paying those bills or suffering the consequences when you don t Being grown is not a state of mind it is a state of action
