Bearly Awake:

Stanley Bearly Awake Disney Book Group, Lara Bergen, 2003-06-01 Stanley doesn't want to go to sleep ever. He wants to play all night long. But when he and Dennis learn that even grizzly bears need their rest, Stanley realizes just how important it is to get your zzz's.

Clear Mirror Daniel Pasqua, 2006-03-31 CLEAR MIRROR is a reflection on the many ups and downs of personal relationships. In CLEAR MIRROR the poet explores the nature of love, both human and divine.

Bearly Awake and Almoose Asleep LazyOne, 2014-12-21 Bear hibernates early and moose helps get bear back to his cave.

Wild Ones Jon Mooallem, 2014-05-27 Wild Ones is a tour through our environmental moment and the eccentric cultural history of people and wild animals in America that inflects it. With propulsive curiosity and searing wit and without that easy moralizing and nature worship of environmental journalism's older guard, Jon Mooallem merges reportage, science, and history into a humane and endearing meditation on what it means to live in and bring life into a broken world. Back cover.

That's The Way It Is Sandra Lusk, 2006-11-01 All of my life I have heard the saying that people aren't who they pretend to be. I have found that in the realm of love, lust, lies, and free will, we can all find our place. This is Maria's story, and she finds her place in this realm and wants to rise above it. Can she find what she's looking for? Will she learn to love and trust?

On Wings of Faith Diane J. Conner, 2007-03-01 On Wings of Faith I'll be back for you, Jenny. I promise. She looked at him through tear-filled eyes, still reeling from the reality of what was happening. Never had she felt so afraid yet so sure of his promise. Time froze, but like a raging torrent, it took him beyond her reach. One moment he was right in front of her, and then, with her young heart breaking, she helplessly watched the boy she loved being led away. Until finally she sank to her knees and wept. Five months later, Chris returns to find her parents' house sold and his precious Jenny gone. His search for her takes him to the sun-drenched beaches of California, but is detoured and then abandoned in the jungles of self-pity, fear, and finally, time itself. Until eleven years drift into the yesterdays, and a moment in time, known long ago and created just for them, arrives. When he sees her standing in the warm glow of his cabin, a riptide of emotions washes over him. He wants to take her into his arms to start from the day their lives were unexpectedly torn apart, but he also wants to flee because he had always wanted her to remember him the way he had been when they were happy and young, and yet he reaches for her, and when she slips her hands into his, he knows he can never let go. But will her new-found faith in the God he wants nothing to do with become a barrier between them? Will she be forced to bury her dreams once again? Do not let your hearts be troubled. Trust in God; trust also in me. John 14:1.

Blue Ridge Calling Olivia Neal, 2025-09-22 The Appalachian mountains are some of the oldest in the world. They say ancient magic runs through these rivers and valleys. Two years ago, a car accident on a perilous mountain road sent a family into freefall, and none of them have been the same since. Sage used to have everything under control: perfect grades, record times on the swim team, and carefully medicated ADHD. But ever since her mom died, she's just been going through the motions, and no one in her family seems to notice. Kora has known Sage's family her whole life, so losing Sage's mom was like losing her.

own At the end of the summer she s supposed to abandon her beloved Blue Ridge mountains for a prestigious art school in New York but leaving now feels wrong And an unexpected romance with a new girl in town might complicate things Then there s Sam Sage s older brother He s spent the last two years traipsing through the mountains trying to find evidence of local ghost stories He said he would be back by now but no one has heard from him To find him Kora and Sage will have to dig deeper into the myths and legends of the mountains they call home before it s too late *Vampire Mom* Linda
