Worst Thing Best Thing Cheryl Roma Yarek, 2019-02-11 This story is about possibility It describes the journey of a young woman diagnosed with a mental health issue given a monthly disability benefit and told she will never work again Despite this she eventually has a twenty seven year full time career in mental health She is supported by a phenomenal psychiatrist who often backs her client s stubborn but convincing moves As the title indicates this is all about turning bad to good or negative to positive and it features a long term career empowering disabled individuals in the way some people had empowered her For example this book exists because an EAP counselor insisted she write it Yes sometimes Cheryl really does do what she is told This is a story for all education departments dealing with human psychology sociology or disability and it may very well generate a discussion well beyond Canadian borders
