Remains Steve Leder,2023-01-03 The national bestseller From the author of the bestselling *More Beautiful Than Before* comes an inspiring book about loss based on his most popular sermon As the senior rabbi of one of the largest synagogues in the world Steve Leder has learned over and over again the many ways death teaches us how to live and love more deeply by showing us not only what is gone but also the beauty of what remains This inspiring and comforting book takes us on a journey through the experience of loss that is fundamental to everyone Yet even after having sat beside thousands of deathbeds Steve Leder the rabbi was not fully prepared for the loss of his own father It was only then that Steve Leder the son truly learned how loss makes life beautiful by giving it meaning and touching us with love that we had not felt before Enriched by Rabbi Leder s irreverence vulnerability and wicked sense of humor this heartfelt narrative is filled with laughter and tears the wisdom of millennia and modernity and most of all an unfolding of the profound and simple truth that in loss we gain more than we ever imagined **An Inquiry Into the Original of Our Ideas of Beauty and Virtue** Hutcheson,1725

Stolen Beauty A.L. Madden,2017-06-02 At a young age author A L Madden was exposed to the kind of inconceivable treatment no one let alone a defenseless child should endure A brutal stepfather with a murky and painful history of his own found himself in an environment in which he continued the cycle of trauma committing unspeakable acts of sexual and emotional abuse against Madden and her siblings Meanwhile her struggling overworked mother didnt see the pain and damage being inflicted on her children Madden felt ashamed hurt angry and most of all unable to talk to anyone about what was happening She felt as though it was her fault The only route to dealing with the anguish was to submerge herself in a distrustful insecure depressed state As have many survivors of abuse Madden felt abandoned unable to see who she really was unable to hold on to any glimmer of hope Only through a long soul searching process that involved a combination of therapy study prayer and the eventual strong faith in the power of her own inner strength and spirit the innocence and beauty she had once possessed as a child was Madden finally able to reach a place of understanding and peace *Stolen Beauty* tells a poignant story for anyone who seeks guidance through his or her own recovery from abuse or for anyone who works to help survivors and abusers alike **Fierce Beauty** Kim Meeder,2011-10-04 True beauty is not about how you look but how you live Women are constantly bombarded with the lie that how we look is far more important than who we are It s time for a clarion call back to the truth Journey with gifted storyteller Kim Meeder as she encourages women to see that true value is

defined by our Creator and that our worth has a purpose of eternal proportions Real beauty isn't a look it's an action It can be found by making one crucial life defining choice to lay down personal ambitions and selfish desires pick up your sword of encouragement and fight for those who are losing their battle for hope As you do fierce beauty is revealed along with lasting value fulfillment and joy In Fierce Beauty Kim shares inspiring true stories from her own life of adventure love and loss including her parents shocking death when she was nine years old and her struggles with self acceptance knowing God and standing for Him Through it all you'll discover life lessons about trust transformation surrender forgiveness and genuine purpose Ultimately life comes down to one question Will you serve yourself or your King Includes discussion guide for individuals or groups You were not created to be a princess of entitlement but a warrior fighting to bring love and hope to the world Kim Meeder

The Beauty of Broken Elisa Morgan, 2013-10-08 Find beauty and hope by facing and dealing with the messiness of family life The family is an imperfect institution Broken people become broken parents who make broken families But actually broken is normal and exactly where God wants us In The Beauty of Broken Elisa Morgan one of today's most respected female Christian leaders for the first time shares her very personal story of brokenness from her first family of origin to the second represented by her husband and two grown children Over the years Elisa's family struggled privately with issues many parents must face including alcoholism and drug addiction infertility and adoption teen pregnancy and abortion divorce homosexuality and death Each story layers onto the next to reveal the brokenness that comes into our lives without invitation We've bought into the myth of the perfect family says Elisa Formulaic promises about the family may have originated in well meaning intentions but such thinking isn't realistic It's not helpful It's not even kind Instead she offers hope in the form of broken family values that allow parents to grow and thrive with God Values such as commitment humility relinquishment and respect carry us to new places of understanding Owning our brokenness shapes us into God's best idea for us and enables us to discover the beauty in ourselves and each member of our family
