

The background of the entire image is a spiritual painting. It depicts a central figure, likely an angel or spirit, with long white hair and a flowing white robe, standing in a lush field of tall green plants and yellow flowers. The figure has a soft, ethereal glow. In the upper left background, a vibrant rainbow arches across a hazy, sunlit sky. The overall mood is peaceful and divine.

Becoming Gods A Reunion With Source:

Becoming Gods James Gilliland, 2016-01-21 Some will think it a contradiction in terms to speak of a practical book about spirituality but in James Gilliland's Becoming Gods Cazekiel a member of an unseen brotherhood teaches us in a very straightforward and pragmatic manner about our divinity and our true heritage as multidimensional beings Speaking to us in a non condescending tone as fellow beings of the Light Cazekiel presents profound guidance regarding the true meaning of Christ Consciousness the balance of existing between two worlds the reality of dreams and visions and reveals the New World about to be born as the Old World passes away The wisdom teachings in this book are highly recommended for all those seeking self mastery Brad Steiger coauthor of Star People and Starborn and author of Revelation The Divine Fire

Anunnaki Return, Star Nations and the Days to Come James Gilliland, 2016-02-24 Anunnaki Return is a book that can truly change the world It is hidden and forbidden knowledge about our true origins the greater family of man and the destiny of Earth to join its ancient ancestors in peace There is a war going on between those who are self serving and those in service to others There will come a time very shortly where all will have to choose which side of the fence they will act out their final days As the Hopi prophecies stated there will be a separation of worlds Those who chose self service and misuse technology those who act against Universal Law and those who act in a way that is harmful to humanity and the Earth will not see the next world Those who choose service to others living a life in harmony with each other and nature will continue The Earth is ascending

The Ultimate Soul Journey James Gilliland, 2016-01-20 There is a saying As one ascends into the planes of nirvana and bliss not only are there tests initiations and challenges but the dark rises as well to rear its ugly head in opposition By putting out this book I hope to offer some guidelines on how to transcend problems and limitations and support those who are awakening and are having similar experiences If you are now struggling with some issues it is good that they have come up for scrutiny and healing You may not realize this yet but you too are a powerful loving manifesting God Goddess and you lack nothing You are the spark waiting to burst into the full flame of creation I wish you the very best on your own awakening process your own Journey back to Source James Gilliland

Experiments in Love Emily Ralph Servant, 2021-03-12 Could it be that the stories we tell in our churches weaken our efforts to be congregations who take risks in mission for the sake of love In this thought provoking book Emily Ralph Servant suggests that the work of today's leaders is to explore new stories listen to new voices and open ourselves up to the Spirit's work of transformation Experiments in Love engages in a three way dialogue with feminist and liberation theologians the social and behavioral sciences and the Anabaptist tradition Out of this vibrant conversation emerges the story of a God who takes the risk of being radically present to a vulnerable world Because of God's courageous presence with us we can also take the risk of being vulnerably present to others as God invites us all to participate in God's community of life love and flourishing

Becoming as God Intended Bruce E. Metzger, 2018-01-05 The purpose is to take concepts that are often spoken in intellectual and theoretical terms and cause them to be philosophically practical which helps to be applied to Christian spirituality As a result Christian spirituality must be practical so that it can be lived and experienced transcending the theoretical making it more real Otherwise it is limited as beliefs to be believed and stuffed into the head
