Categories in Markets Greta Hsu, Ozgecan Kocak, Giacomo Negro, 2010-11-12 Focuses on how market categories shape processes of production and consumption and how these activities in turn shape category systems This volume explores topics such as how new categories emerge become enacted and gain consensus how categories are used by market agents and how category systems change over time **Sleepwalkers** F. P. Dorchak, 2002-02-01 Daniel Grants mid life crisis wasnt at all like the normal expected thing of a man in his mid thirties His had little to do with his job his marriage or any nostalgic ponderings of lost youth Instead he questioned the very basis of life itself of why we were all here were dreams his dreams real and did humanity dream itself a mass dream Perhaps most important of all he wondered who or what beckoned him ever deeper into the surreal world of conscious dreams Unable to draw a clear line between reality and the imagined Daniel awakens in the middle of a nocturnal roadtrip meets up with the mysterious and precocious teenage Maggie Leigh and is taught life lessons he considers fantasy His journey takes him beyond the edges of reality upsetting the very foundations of life as he knew it What he finds forever changes how he will live think and act and even how life itself will continue to operate And this is only the beginning If ever there was a truly suspenseful real yet mysterious and complicated account of the known and unknown psychic and psychological ingredients of our lives this is it F P Dorchak creates for us a most intriguing interwoven and provocative account of our lifetime challenges in his Sleepwalkers and Im pleased to note this book is just the beginning of his published insights into the great probable mysteries of life as we seek to explore and understand them What challenges he creates in this brilliant journey into those sleeping and awake questions we all have Way to go Frank Rob Butts The trek with Daniel Grant into and through the fifth dimension of his dream universe and back again is colorful fascinating and fun its almost like taking college metaphysics and philosophy all over again except its easier to understand this time around and a lot more exciting Madelon Rose Logue Editor publisher The Black Sheep a Seth Jane Roberts Fanzine Sleepwalkers is exciting moving and consciousness expanding A wonderful read I couldnt put the book down Ute Kaboolian Writer Poet Always One and Sound of The Siren In SLEEPWALKERS F P Dorchak paints a mesmerizing multi dimensional world filled with surprises and thought provoking ideas Deb Stover Award winning author of A Moment In Time If metaphysical fiction ever attains the acceptance and respect of general fiction it will be because of writers like F P Dorchak He has a gift for balancing rarefied metaphysical concepts with down to earth narrative and characters with real desires and concerns Sleepwalkers is gritty and provocative yet its believable portrayal of the spiritual dynamics behind life situations

Invisible Ancestor Miriam A. Bibby,2024-04-01 The outstanding qualities of the Galloway horse landrace are referenced in literary sources from the late sixteenth century onwards Brief but eloquent and revealing allusions appear in the work of William Shakespeare Thomas Dekker Ben Jonson and other writers with connections to the Tudor Stuart Caroline and Carolean courts The Galloway nag was sufficiently influential for its name to become a generic widely applied to small horses of a certain type speedy enduring and reliable This is still the case in the north of England and Australia where the terms Galloway and Galloway continue to be used today The Galloway contributed to a surprising number of modern horse breeds including the Thoroughbred yet few people are aware of its influence Miriam A Bibby shows how and why its contribution has been overwritten by other narratives In doing so she also reveals previously unexplored sources that indicate the complex role played by the imagined Galloway in Anglo Scottish relations Collectively these represent a unique new genre of commentary that she identifies as Galloway Nag Satire This is the first major study devoted to the history of the Galloway horse
