

RUDYARD KIPLING: A BIBLIOGRAPHY

ADDITIONS AND CORRECTIONS

This is a continuation, through the date on the bottom of the last page, of *Rudyard Kipling: A Bibliography* (RKAB), published by Oak Knoll Press and the British Library in January 2010. This material is a supplement to the bibliography, frequently updated on the Oak Knoll Press website by RKAB author David Alan Richards, and incorporating descriptions of further volumes, pamphlets, or collected sets not included in the bibliography's first edition, as well as information about that edition's primary entries which has been developed or discovered since its publication. The entries in this supplement conform to the principles of description set forth in the Introduction to RKAB, pp. xvi-xxiii.

Entirely new entries are numbered with the designation they would have been awarded had their existence been known at the time of RKAB's original publication. Where the insertion of a new entry would disturb the original numbering sequence, the entry number has been given a supplemental letter designation (e.g., B/23a, to follow B/23). Where the new information is a correction or addition to a previously published book entry description, the insertion is organized by page number in RKAB.

The acquisition by Yale University in August, 2011 of the A. P. Watt & Son Archive of Kipling's literary agent's remaining copies of the author's manuscripts and of the agent's copies of copyright editions has caused there to be substantial additions to the information in the RKAB. The finding aid at the Beinecke Rare Book and Manuscript website for the Watt Archive is <http://hdl.handle.net/10079/fa/beinecke.kiplingwatt>.
