## **At The Cross:**

At the Cross Richard H. Allen, 2014-05-29 In volume two of *At the Cross* Richard Allen focuses on the sanctification that follows a believer's initial commitment to Christ. The cross of Christ represents the spiritual, physical, and metaphoric reasons for our existence. *At the Cross* is a line-by-line examination of the Gospels of Matthew, Mark, Luke, and John as these apostles describe events from the Garden of Gethsemane to the resurrection and ascension of Jesus Christ. This book is written for both new and seasoned believers so they may find direction for and discover the ramifications of that commitment. *At the Cross* is also written for nonbelievers so they can see why believers from the martyrdom of Christ to the most recent Chinese Christian jailed and tortured for his faith would forfeit their lives and liberty rather than deny their Savior. *What Happened at the Cross* Billy Graham, 2021-11-23 The cross of Christ towers over 2,000 years of history. What happened on that hill called Calvary? In this compilation of his life's work, Billy Graham explains what Jesus accomplished on the day of his death, the meaning of his sacrifice, where he is now, the price of victory, and how to live with hope. It's almost impossible to find one of Billy Graham's sermons that didn't focus on the incredible events that happened over 2,000 years ago on Mount Calvary, and that's because he centered his life and ministry around its message. In this special collection of the beloved evangelist's inspiring messages on the cross, discover simple yet profound truths that will change your life. This one-of-a-kind message includes an exclusive foreword from Franklin Graham and an afterword by Will Graham. More than 40 bonus pages of Scripture references pointing readers to what God's Word says about the cross and salvation. The Steps of Peace salvation plan from the Billy Graham Evangelical Association. Seven chapters of rich content explaining what happened at the cross, the price of victory, the meaning of the cross, the king's eternity, and how to live life with hope. Perfect for Christians seeking spiritual encouragement and a better understanding of the Gospel's message. *What Happened at the Cross* will help you better understand the meaning of the cross and equip you to proclaim the gospel in your Church, your community, and beyond.

The Spirit at the Cross Carolyn E. L. Tan, 2019 What was the Holy Spirit doing at the cross of Jesus Christ? Jesus' death and resurrection are central to God's reconciliation with humanity. Does the Holy Spirit's work pause between Gethsemane and the resurrection? What does the phrase "through the eternal Spirit" in Hebrews 9:14 mean? In this book, Tan examines the perspectives of John Vernon Taylor, Jürgen Moltmann, and John D. Zizioulas, from whom three views of the Spirit's role at the cross are discerned: the Spirit as the bond of love between the Father and the Son, the Spirit as the Son's coworker, enabler, and power, and the Spirit as the unifier who unites humanity to the Son. In addition, Karl Barth provides the intriguing concept of the Spirit as divine Judge along with the Father and the Son, and specifically the one who carries out God's judgment in Jesus Christ, the Elect. Integrating these theological perspectives with an in-depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9:14, Tan offers another way of understanding the role of the Spirit at the cross: Christ as the Father's pneumatic crucible, in whom sinful humanity is judged, destroyed, and reborn through the power

**The Cross of Christ** John Stott, 2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings you face to face with the centrality of the cross in God's plan of redemption *Heaven on Earth to Me; Or, The Cross of Jesus* David THOMPSON (Author of "The Bleeding Heart, " etc.), 1865

**The Cross** Richard Kema, 2014-10-07 In this book The Cross you will discover that the cross of Jesus Christ is everything to man As an indispensable part of our Christian life there can't be any child of God that ought to glory in anything save in the cross thus it is the hallmark of the church and the crux of the Gospel This inspirational and expository study shows how the cross was in the mind of God long before man invented it The cross is the reason God sent his one and only Son into the world to save mankind from sin and death In Christianity the cross became not only a symbol of the shameful death of Jesus Christ as a criminal but also of his subsequent resurrection to eternal life and of his promise of salvation to Christian believers There is a crossless Christianity which hinders a deeper dimension of consecration responsible for the carnality we see in the church today Richard Kema in this book helps us to appreciate the power of the cross as the only way to salvation deliverance and restoration Dr Steve Ogan

**The Theology of the Cross in Historical Perspective** Anna M. Madsen, 2007-01-01 The theology of the cross is indisputably a trendy concept today Numerous seminars books and dissertations tackle the topic But The Theology of the Cross in Historical Perspective demonstrates that theology of the cross is no passing fancy Theologies of the cross appear at the beginnings of the church in the sixteenth century reformations of the church and in the more contemporary modernization of the church Without theologies of the cross what the church is called to be and to preach becomes unclear So then what is the theology of the cross Anna Madsen surveys the theology of the cross in the thinking of Paul and Luther She also outlines several important twentieth century contributions to the subject On the basis of her analysis Madsen suggests that the theology of the cross reveals God to be found even in death In death after all boundaries disappear The theology of the cross assures Christians that God is present in the death of sin and in the realities of suffering and uncertainty Given that it announces God's presence the theology of the cross is ultimately a
