Atlanta 1864 Last Chance For The Confederacy Great Campaigns Of The Civil War Series

Michael Owen Connelly

Atlanta 1864 Last Chance For The Confederacy Great Campaigns Of The Civil War Series:

Atlanta 1864 Richard M. McMurry, 2001-01-01 Atlanta 1864 brings to life this crucial campaign of the Civil War as federal armies under William T Sherman contended with Joseph E Johnston and his successor John Bell Hood and moved steadily through Georgia to occupy the rail and commercial center of Atlanta Sherman's efforts were undertaken as his former commander Ulysses S Grant set out on a similar mission to destroy Robert E Lee or drive him back to Richmond These struggles were the millstones that Grant intended to use to grind the Confederacy's strength into dust By fall Sherman's success in Georgia had assured the re-election of Abraham Lincoln and determined that the federal government would never acquiesce in the independence of the Confederacy Richard M McMurry examines the Atlanta campaign as a political and military unity in the context of the greater struggle of the war itself Richard M McMurry is an independent scholar and the author of John Bell Hood and the War for Southern Independence Nebraska 1992 and Two Great Rebel Armies An Essay in Confederate Military History

Spring 1865 Perry D. Jamieson, 2015-04-01 When Gen Robert E Lee fled from Petersburg and Richmond Virginia in April 1865 many observers did not realize that the Civil War had reached its nadir A large number of Confederates from Jefferson Davis down to the rank and file were determined to continue fighting Though Union successes had nearly extinguished the Confederacy's hope for an outright victory the South still believed it could force the Union to grant a negotiated peace that would salvage some of its war aims As evidence of the Confederacy's determination two major Union campaigns along with a number of smaller engagements were required to quell the continued organized Confederate military resistance In Spring 1865 Perry D Jamieson juxtaposes for the first time the major campaign against Lee that ended at Appomattox and Gen William T Sherman's march north through the Carolinas which culminated in Gen Joseph E Johnston's surrender at Bennett Place Jamieson also addresses the efforts required to put down armed resistance in the Deep South and the Trans Mississippi As both sides fought for political goals following Lee's surrender these campaigns had significant consequences for the political military context that shaped the end of the war as well as Reconstruction Purchase the audio edition

[Now for the Contest](#) William H. Roberts, 2004-01-01 In a detailed examination of the Civil War at sea the author of Civil War Ironclads describes the conflict in the context of three campaigns as well as how both sides mobilized and employed their resources for the war

Secret Atlanta: A Guide to the Weird, Wonderful, and Obscure Jonah McDonald, 2020-03-15 What's really inside Atlanta's sealed Crypt of Civilization Where can you experience a midnight costume party or get your hair cut at a museum And is there really an elephant graveyard in the city Sometimes the truth is stranger than fiction and Secret Atlanta is the right book to prove this over and over again Beyond the standard Atlanta tourist attractions visitors and natives will find a city full of secrets in the history art culture nature and places that are just plain weird Tour the most hidden spots in the metro area or see the famous sites through a new lens You'll find the answers to common questions like why there are so many streets named Peachtree Don't miss Atlanta's more

uncommon quirks too such as the story behind the clergy parking spaces at one local bar Whether you re a lifelong Atlantan or a first time visitor local writer Jonah McDonald will help you marvel at Atlanta s most obscure oddities His adventures through the city might sound too interesting to be true but you couldn t even make this stuff up if you tried

The Oxford Encyclopedia of the Civil War William L. Barney, 2011-08-01 A gold mine for the historian as well as the Civil War buff The Oxford Encyclopedia of the Civil War offers a concise comprehensive overview of the major personalities and pivotal events of the war that redefined the American nation Drawing upon recent research that has moved beyond battles and military campaigns to address the significant roles played by civilians women and African Americans the 250 entries explore the era in all its complexity and unmistakable human drama Here of course are the major battles and campaigns ranging from Gettysburg and Shiloh to Sherman s March to the Sea as well as biographical entries on everyone from Abraham Lincoln and Robert E Lee to Frederick Douglass Clara Barton and Walt Whitman But the book also features entries on a wealth of other matters music photography religion economics foreign affairs medicine prisons legislative landmarks military terms and weaponry political events social reform women in the war and much more In addition charts newly commissioned maps chronologies and period photographs provide an appealing visual context Suggestions for further reading at the end of most entries and a guide to more general sources in an appendix introduce the reader to the literature on a specific topic A list of Civil War museums and historic sites and a representative sampling of Civil War websites also point to resources that can be tailored to individual interests A quick convenient user friendly guide to all facets of the Civil War this new updated edition also serves as an invaluable gateway to the rich historical record now available perfect for virtually anyone who wants to learn more about this tumultuous period in our history

On War and Leadership Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions

Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom **Breaking the Heartland** John D. Fowler, David B. Parker, 2011 The Civil War was arguably the watershed event in the history of the United States forever changing the nature of the Republic and the relationship of individuals to their government The war ended slavery and initiated the long road toward racial equality The United States now stands at the sesquicentennial of that event and its citizens attempt to arrive at an understanding of what that event meant to the past present and future of the nation Few states had a greater impact on the outcome of the nation's greatest calamity than Georgia Georgia provided 125 000 soldiers for the Confederacy as well as thousands more for the Union cause Also many of the Confederacy's most influential military and civilian leaders hailed from the state Georgia was vital to the Confederate war effort because of its agricultural and industrial output The Confederacy had little hope of winning without the farms and shops of the state Moreover the state was critical to the Southern infrastructure because of the river and rail links that crossed it and connected the western Confederacy to the eastern half Finally and perhaps most importantly the war was arguably decided in North Georgia with the Atlanta Campaign and Lincoln's subsequent reelection This campaign was the last forlorn hope for the Southern Republic and the Union's greatest triumph Despite the state's importance to the Confederacy and the war's ultimate outcome not enough has been written concerning Georgia's experience during those turbulent years The essays in this volume attempt to redress this dearth of scholarship They present a mosaic of events places and people exploring the impact of the war on Georgia and its residents and demonstrating the importance of the state to the outcome of the Civil War **Civil War** Gary Gallagher, Stephen Engle, Robert Krick, Joseph T. Glatthaar, 2014-02-20 This edition from Osprey Publishing presents the full story of the American Civil War The four long years of Civil War saw fighting across America on an unprecedented scale incurring losses to both sides to an extent never previously imagined As the battles raged from east to west from the First Battle of Bull Run to Sherman's march to the Sea no part of America remained untouched by the war with families finding themselves torn and fighting on opposing sides More than 150 years on the war continues to fascinate us and the key commanders both presidents and battle sites are forever enshrined in America's history With a foreword by James McPherson this volume brings together the work of four leading US historians to provide a thoroughly comprehensive and insightful study of the war packed with first hand accounts from soldiers and civilians alike Superbly illustrated with more than 150 contemporary black and white and color images and with 40 specially commissioned full color maps this edition provides an analysis of the causes events and effects of the Civil War **The Iron Way** William G. Thomas, 2011-10-25 How railroads both united and divided us Integrates military and social history a must read for students scholars and enthusiasts alike Civil War Monitor Beginning with Frederick Douglass's escape from slavery in 1838 on the railroad and ending with the

driving of the golden spike to link the transcontinental railroad in 1869 this book charts a critical period of American expansion and national formation one largely dominated by the dynamic growth of railroads and telegraphs William G Thomas brings new evidence to bear on railroads the Confederate South slavery and the Civil War era based on groundbreaking research in digitized sources never available before The Iron Way revises our ideas about the emergence of modern America and the role of the railroads in shaping the sectional conflict Both the North and the South invested in railroads to serve their larger purposes Thomas contends Though railroads are often cited as a major factor in the Union s victory he shows that they were also essential to the formation of the South as a unified region He discusses the many and sometimes unexpected effects of railroad expansion and proposes that America s great railroads became an important symbolic touchstone for the nation s vision of itself In this provocative and deeply researched book William G Thomas follows the railroad into virtually every aspect of Civil War history showing how it influenced everything from slavery s antebellum expansion to emancipation and segregation from guerrilla warfare to grand strategy At every step Thomas challenges old assumptions and finds new connections on this much traveled historical landscape T J Stiles Pulitzer Prize winning author of The First Tycoon The Epic Life of Cornelius Vanderbilt **Civil War in the West** Earl J. Hess, 2012 The Civil War in the West

Atlanta 1864 Last Chance For The Confederacy Great Campaigns Of The Civil War Series Book Review: Unveiling the Power of Words
