Margaret Singleton, 2011-09-23 This powerful and unusual story contrasts The Bicknells a wealthy and influential family in Rosedale Toronto Ontario into which I was born out of wedlock with a farm couple from near Brockville Ontario who adopted me in 1935 At the age of sixteen I began to feel unsettled and lost Eighteen years later I finally acted on that feeling and began the search for my lost parents Using documents I found in a box in the closet of my adoptive mother after her death I have retrieved the moment when a sleek limousine emerged from the dust of a gravel road delivering me to my new parents The book follows that limousine back as I searched for my birth mother taking me into mystery intrigue and cover up by the legal system but bringing me finally to a supper dance in the Crystal Ballroom of the historic King Edward Hotel in Toronto where by chance my birth parents were reunited The memoir is a story of loss and recovery but it is also a story of love strength and redemption *Fool's Paradise* Paul Malo, 2003 A pictorial depiction of Thousand Islands life accompanied by recollected conversations evocative impressions and decades of historical research reconstructing the incredible vanished international resort as it was a hundred years ago **The Court of Queen's Bench of Manitoba, 1870-1950** Dale Brawn, 2006-12-15 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba's Court of Queen's Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province's highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in

which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government **Brockville** Russ Disotell,1997-10-15 Brockville s origins reach back to the resettlement of Loyalists following the American Revolution and the threat of American encroachment Following the War of 1812 Brockville along the St Lawrence River benefitted greatly from the rapidly expanding colonization A centre for the political activity of the day and a focal point for the Orange movement Brockville was often immersed in controversy The end of the 19th century was the golden age of patent medicine business and Brockville was home to two of the most successful the W H Comstock Company and the G T Fulford Company Pink Pills for Pale People were sold worldwide Today Brockville retains the charm of its heritage mansions and is home to a number of prominent industries *Watertown, N.Y., a History of its Settlement and Progress, with a Description of its Commercial Advantages* Charles Rufus Skinner,2024-06-17 Reprint of the original first published in 1876 **Directory of the marine interests of the Great Lakes** R.L.
