Brubels Fin De Siecle:

Art, Music, and Mysticism at the Fin de Siècle Corrinne Chong, Michelle Foot, 2024-07-29 This edited volume explores the dialogue between art and music with that of mystical currents at the turn of the twentieth century The volume draws on the most current research from both art historians and musicologists to present an interdisciplinary approach to the study of mysticism s historical importance The chapters in this edited volume gauge the scope of different interpretations of mysticism and illuminate how an exchange between the sister arts unveil an underlying stream of metaphysical supernatural and spiritual ideas over the course of the century Case studies include Charles Tournemire Joseph P ladan Erik Satie Hilma af Klint Jean Sibelius Franti ek Kupka and Wassily Kandinsky The contributors unique theoretical perspectives and disciplinary methodologies offer expert insight on both the rewards and inevitable aesthetic complications that arise when one artform meets another The book will be of interest to scholars working in art history musicology visual culture and mysticism

Art Nouveau in Fin-de-siècle France Debora Silverman, 1989 Explores the shift in the locus of modernity in fin de siecle France from technological monument to private interior The text examines the political economic social intellectual and artistic factors specific to the French fin de siecle that interacted in the development of art nouveau

Victorian Christianity at the Fin de Siècle Frances Knight, 2015-10-23 The period known as the fin de siecle defined in this groundbreaking book as chiefly the period between 1885 and 1901 was a fluid and unsettling epoch of optimism and pessimism endings and beginnings as well as of new forms of creativity and anxiety The end of the century has attracted much interest from scholars of literary and cultural studies who regard it as a critical moment in the history of their disciplines but it has been relatively ignored by religious historians Frances Knight here sets right that neglect She shows how late Victorian society often said to be one of the most intensely Christian cultures the world has ever seen reacted to the bold agendas being set by the thinkers of the fin de siecle and how prominent Church figures during the era first identified many of the concerns that have preoccupied Christians latterly These include an active interest in social justice and the creation of new types of communities increasingly open discussion of the sexual exploitation of children debates about society s decadence new ideas about the role of women and the belief in the redemptive powers of art pioneered by figures as diverse as P T Forsyth Percy Dearmer and Samuel and Henrietta Barnett Examining in particular the Christian world of fin de siecle London the author offers penetrating insights into a society in which the ritual and culture of Christianity sometimes permeated the aesthetic movement and where devotees of the aesthetic movement like Walter Pater Oscar Wilde and their disciples often revealed a fascination with Christianity She argues that the long 1890s was a decisive decade in which various sections of Christian opinion both on the progressive and the more conservative wings of the faith began to express views which set the tone for attitudes which would become commonplace in the twentieth century *Victorian Christianity at the Fin de Siècle* is the focussed treatment of religion and culture at the end of the nineteenth century that the field has long needed

It will be welcomed by scholars of church history social and cultural history and the history of ideas *Administrative Justice Fin de siècle* Giacinto della Cananea, Stefano Mannoni, 2021-02-04 The second volume in this series explores the evolution of administrative laws in Europe to better understand the foundations of EU institutions focusing on the period of 1890 1910 These years saw both a growth of governments and either the entry into force or the consolidation of mechanisms of control on public authorities Comparing the Austro Hungarian Empire Belgium France the German Empire Italy and the United Kingdom this title focuses on their historical administrative actions and looks at their development during that time The volume contains three sections The first introduces the project and the topic The second covers the six legal systems chosen for this study looking at the historical context The third takes a comparative approach across the six systems following on from their histories to look at their development and legacies This edited collection expands on the ideals of a common core within European administrative law and how they have shaped our world This volume is an essential tool for anyone involved in administrative and constitutional law and legal history **The Fin-de-Siècle World** Michael Saler, 2014-11-20 This comprehensive and beautifully illustrated collection of essays conveys a vivid picture of a fascinating and hugely significant period in history the Fin de Si cle Featuring contributions from over forty international scholars this book takes a thematic approach to a period of huge upheaval across all walks of life and is truly innovative in examining the Fin de Si cle from a global perspective The volume includes pathbreaking essays on how the period was experienced not only in Europe and North America but also in China Japan the Middle East Latin America Africa India and elsewhere across the globe Thematic topics covered include new concepts of time and space globalization the city and new political movements including nationalism the New Liberalism and socialism and communism The volume also looks at the development of mass media over this period and emerging trends in culture such as advertising and consumption film and publishing as well as the technological and scientific changes that shaped the world at the turn of the nineteenth century such as the invention of the telephone new transport systems eugenics and physics The Fin de Si cle World also considers issues such as selfhood through chapters looking at gender sexuality adolescence race and class and considers the importance of different religions both old and new at the turn of the century Finally the volume examines significant and emerging trends in art music and literature alongside movements such as realism and aestheticism This volume conveys a vivid picture of how politics religion popular and artistic culture social practices and scientific endeavours fitted together in an exciting world of change It will be invaluable reading for all students and scholars of the Fin de Si cle period Brussel Philipe Roberts-Jones, 1994-12-01

Marketing Modernism in Fin-de-siècle Europe Robert Jensen, 1994 In describing the canon building of modern dealerships Jensen considers the new ideological dealer and explores the commercial construction of artistic identity through such rhetorical concepts as temperament and independent art and through such institutional structures as the retrospective

Fin de Siècle and Its Legacy Mikulas Teich, Roy Porter, 1990-12-13 For many years the term fin de si cle has been used to

imply a state of decadence which was thought to have pervaded civilised European society in the years around 1900 This volume of essays which draw on a very wide range of disciplines argues that the period was in fact one of dramatic change essentially positive and forward looking in character This was the period of the rise of the giant corporation of mass production and mass consumption and of the development of the generation and distribution of electrical energy Novel social features such as mass politics mass media and mass sport involved the body of ordinary people and in the arts complex reactions to contemporary social reality were aroused and expressed This was also the period which gave birth to the study of quantum mechanics relativity physics mental processes and genetics This volume forms part of a sequence of collections of essays which began with *The Enlightenment in National Context* 1981 and has continued with *Romanticism in National Context* 1988 They bring together comparative national and interdisciplinary approaches to the history of great movements in the development of human thought and actions

French Opera at the Fin de Siècle Steven Huebner, 2006-02-02 This is the first book length study of the rich operatic repertory written and performed in France during the last two decades of the nineteenth century Steven Huebner gives an accessible and colorful account of such operatic favorites as *Manon* and *Werther* by Massenet *Louise* by Charpentier and lesser known gems such as Chabrier's *Le Roi malgré lui* and Chausson's *Le Roi Arthus*

The French Symphony at the Fin de Siècle Andrew Deruchie, 2013 WINNER 2014 CHOICE Outstanding Academic Title Award The first extended study of seven beloved French symphonic masterpieces from Saint Saëns and Franck to d'Indy and Dukas In this first full length study of the symphony in late nineteenth and early twentieth century France Andrew Deruchie provides extended critical discussion of seven of the most influential and frequently performed works of the era by Camille Saint Saëns César Franck douard Lalo Vincent d'Indy and Paul Dukas The volume explores how these symphonists modernized the art form yet preserved many of the formal and rhetorical conventions of the canon reconciling in particular Beethoven's symphonic legacy with the musical culture intellectual environment and political milieu of fin de siècle France Drawing on contemporary criticism music histories composers' prose and unpublished sketches Deruchie's readings offer fresh insights on issues of musical form and technique and also move beyond the notes to consider questions of meaning Andrew Deruchie is a lecturer in musicology at the University of Otago New Zealand
