Bubble Gum Heroes:

Heroes, Heroines, and Everything in Between Christopher J. Olson, CarrieLynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. *Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media* examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products, e.g., comic books, television shows, animated films, films, children's literature meant for children, e.g., toddlers to teenagers. The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they explore these nontraditional representations and consider what they say about the current state of children's entertainment media, popular culture, and global acceptance of these gender identities and sexualities.

Hogan's Heroes Brenda Scott Royce, 2013-12-10 An insider's look at the surprisingly successful perennially popular classic 1960s sitcom set in a prisoner of war camp in World War II Germany. If your fondest TV memories involve the POWs of Stalag 13 cleverly outwitting their captors, Schultz stammering "I know nothing" and Hochstetter threatening to send everyone to the Russian front, then this is the book for you. This fun and informative book takes you behind the scenes of the classic 1960s sitcom to reveal the story behind the creation, production, and eventual cancellation of the series; the controversy surrounding the show's unlikely premise; interviews with many of the show's stars and crew; biographies of the stars and supporting actors; a detailed guide to each of the 168 episodes; a guide to collecting Hogan's memorabilia; and more. Hogan's Heroes is more popular now than ever before, especially in Germany, where it has become a surprising cult hit. In this book, most of the show's stars and behind-the-scenes personnel share their memories and reflect on the series' enduring popularity.

Bytelines Jim O'Donnell, 2008-11-25 Having grandchildren late in life means that they will never really get to know you. This was the case for me, and for my children, I never knew my grandparents as they lived and died in Ireland before I had a chance to go there. I might have gone over in 1950 and seen my maternal grandfather, Patrick Quinn. He was the only grandparent living when it was possible after the war to visit Ireland. Regretfully, I didn't go when I had the chance, and he died in 1951.

The Hero of Heroes 2 James Prince, 2016-02-18 For my part, I must admit it is with time and the age that wisdom allowed me to be slow to anger, to accomplish God's justice, and to be worthy of the Messiah, worthy of the Word of God. The Word of God, the truth that is in my opinion, the greatest power in this world is with me, and I love it with all of my heart. It is the Word of God that gives me the taste to write about it, the taste to make it known, and the taste to share it with the greatest possible number of people in this world. I strongly believe that without it, I wouldn't have too much.

to say or to write about There were days and even this year when I asked myself what could have changed me to this point and the only answer I got was that it was the Word of God that did it But this is absolutely wonderful To live in the kingdom of heaven in the kingdom of Jesus is the most wonderful thing that could happen to a human being and this is what gives me the taste to invite people from all nations to come to join me in it I hope with my whole heart this is what my books and my hymns to my Lord will do This is exactly why the Messiah Jesus gave his life for so we could all be this happy May he be blessed above all men who lived on this earth James Prince **Hapless Hero Henrie (House of Heroes Book 1)** Petra James,2020-08-27 The first book in a fun action packed middle grade series for heroes in training by Petra James and A Yi Twelve year old Henrie is the first girl heir of the Melchior family in 200 years This was deemed a dereliction of duty by the formidable Octavia Melchior head of the House of Melchior HoMe For HoMe is in the business of heroes for hire Boy heroes that is Girls have no place When Henrie receives a mysterious note it sets off a chain of events including a kidnapping a fancy skateboard manoeuvre and a private jet and she discovers something rotten at the heart of HoMe As past present and future collide HoMe is poised to come tumbling down unless a new kind of hero can emerge from the rubble Eight Hundred Heroes Stephen Robinson,2022-06-15 Acclaimed historian Stephen Robinson brings to life a legendary last stand Shanghai 1937 With invading Japanese troops poised to capture one of the world s greatest cities after almost three months of brutal urban warfare the Chinese Army begins to retreat except for a single battalion that stays behind to fight These soldiers led by Lieutenant Colonel Xie Jinyuan known as the Eight Hundred Heroes defended Sihang Warehouse a six storey concrete building and natural fortress The men repulsed waves of Japanese attacks with intense bravery as thousands of spectators looked on from the relative safety of the British Concession inside Shanghai s International Settlement Western journalists with front row seats to the spectacle spread the story across the globe as the plight of the heroes captured the sympathy of the world Their valour raised Chinese morale as did the actions of the heroine Yang Huimin a Girl Guide who delivered a Chinese flag to the defenders that flew over Sihang Warehouse as a beacon of hope Eight Hundred Heroes is an in depth account resulting from extensive research that for the first time comprehensively utilises first hand accounts of the Chinese participants and the observations of westerners who witnessed the battle at close range It also explains how this incredible feat of heroism became an enduring myth that helped define modern China Hummers, Knucklers, and Slow Curves Don Johnson,1991 A charmer Some titles include Late Innings Baseball Divine Comedy 4th Base Mantle On the roster are poets like John Updike Gregory Corso Robert Penn Warren Donald Hall and Richard Eberhart The collection includes heroes villains and the highand low drama of sport There is also philosophical bite The Christian ScienceMonitor **Chewing Gum** Michael Redclift,2004-08-02 Vivid and absorbing Chewing Gum is at once an American cultural history and an emblematic cautionary tale about the how the resources that fuel modern pleasures often come from scenes of violence chaos and oppression **Journey to a Fearless Life** Larry Hopkins,Jason Hopkins,2006-02 **A Marvelous Life** Danny
