Buddha And The Gospel Of Buddhism:

Buddha and the Gospel of Buddhism Ananda K. Coomaraswamy, 2014-03 This Is A New Release Of The Original 1916 Edition The Buddha's Gospel Lindsay Falvey, 2002 Described as unique and a great service to understanding this book is intended for three groups Western Buddhists that bulk of the West that have no religious affiliation yet know there is something more to life and Buddhists in Asia who follow the encounter of the dharma with the West It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally presented In its six chapters and appendix it compares the two great teachers the Buddha and Jesus briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist imitation of these words based on the hypothetical Sayings of Jesus It then considers congruence between the Buddha s and Jesus teachings before offering both Buddhist and Christian interpretations An appendix re presents the Buddhist imitation of Jesus words as a continuous text Dr Falvey introduces his work Jesus speaking the Buddha s words exudes audacity and ignorance yet this work essentially wrote itself as a product of my socialization a modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism Differences between the two traditions such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of teachings of both traditions *BUDDHA AND THE GOSPEL OF BUDDHISM* ANANDA KENTISH.
