Broken Circle J.L. Powers, M.A. Powers, 2017-10-03 For young Adam Jones inheriting the family business is more than a rotten hand. It's downright skeletal. The Powerses worldbuilding and writing will keep readers hooked. They will find themselves questioning what is fact and what is fiction and cheering Adam on as he journeys in this new strange world. A gripping philosophical paranormal thriller. Kirkus Reviews Adam wants nothing more than to be a normal teen but his reality is quickly leaking. Normal. Afraid to sleep because of the monster that stalks his dreams. Adam's breakdown at school in front of his crush Sarah lands him in the hospital. As he struggles to cope with his day to day life Adam can only vaguely comprehend some sort of future. His mother died when he was only four and his eccentric father who might be an assassin, a voodoo god, the reincarnation of the Buddha or something even stranger is never available when Adam really needs him. Even his paranoid grandfather who insists that people are out to kill the entire family is no help. Adam's life takes an even weirder turn when a fat man with a gold tooth and a medallion confronts his father regarding Adam's supposed True Destiny. Adam is soon headed toward a collision with life, death and the entities charged with shepherding souls of the newly dead, all competing to control lucrative territories where some nightmares are real and psychopomps of ancient legends walk the streets of North America.

Broken Circle Theodore Fontaine, 2010 Theodore Fontaine lost his family and freedom just after his seventh birthday when his parents were forced to leave him at an Indian residential school by order of the Roman Catholic Church and the Government of Canada. Twelve years later he left school frozen at the emotional age of seven. He was confused, angry and conflicted on a path of self destruction. At age 29 he emerged from this blackness. By age 32 he had graduated from the Civil Engineering Program at the Northern Alberta Institute of Technology and begun a journey of self exploration and healing. Theodore examines the impact of his psychological, emotional and sexual abuse, the loss of his language and culture and most important the loss of his family and community.

Broken Circle Christopher Dinsdale, 2004-08-01 Angry at missing a week of summer video game entertainment, Jesse, a twelve year old boy of European Native American descent grudgingly follows through with his deceased father's request that he join his Uncle Matthew and cousin Jason at Six Islands on Georgian Bay for a special camping trip. Uncle Matthew explains that Jesse's father wanted Jason's vision quest to be his introduction to their native culture. During their first night around the camp fire it is Jesse who has a vision and the adventure begins. Not only is he swept back in time four hundred years but he is transformed into a majestic white tailed deer. He must now survive the expert hunting skills of his ancestors while somehow rescuing his people before they are destroyed by warfare.
