Broken Things Why We Suffer:

Broken Things M. R. DeHaan, 2011-06-01 Before M R DeHaan was teaching on Radio Bible Class he was a physician and well acquainted with pain and suffering Dr DeHaan in his book *Broken Things Why We Suffer* takes a biblical and practical look at suffering and helps you to discover that often it is through seasons of trial that God seeks to mold and shape you into His image Applying the healing principles of God s Word Dr DeHaan encourages those who have been scarred by loss of employment health or by the death of a loved one to find both hope and peace

Why Do We Suffer and Where Is God When We Do? Valerie G. Rempel, 2020-03-31 Cancer hurricanes hunger suicide suffering is the most profound challenge to faith that many people will face Valerie G Rempel leads readers into a gentle meditation on the many questions surrounding why we suffer How can God be all loving and all powerful Why don t prayers seem to work Is pain always redemptive And what do the life death and resurrection of Jesus reveal about suffering We may not find answers to all our questions but we can lean into the God big enough to absorb all of them

Orphaned Believers Sara Billups, 2023-01-24 Billups is a sharp critic of the evangelical church and readers will be heartened by her thoughtful advice on how to chart a brighter future for the faith *Publisher s Weekly* In the wake of the culture wars of the 1980s and 1990s many young evangelical Christians found themselves untethered disillusioned and ultimately orphaned as they grappled with the legalistic politically co opted churches of their youth Perhaps you are one of them Perhaps like Sara Billups you have felt alone misunderstood and maligned in the American church longing for a more loving more biblical expression of the faith and discipleship taught by Jesus Part spiritual memoir of an apocalyptic childhood and part commentary on growing up as an evangelical kid during the culture wars *Orphaned Believers* follows the journey of a generation of Christian exiles reckoning with the tradition that raised them and searching for a new way to participate in the story of God Because for all the baggage we still belong and a bigger more beautiful story awaits As American Christianity changes and as we change along with it we need guides to remind us who we are and who we re not Sara has been one such guide for me She s brutally honest and hilarious and her heart is wide open to the radical possibility that belonging to Jesus is identity enough for Christians I couldn t be more grateful for her Jon Guerra singer songwriter and producer Billups reminds us that no matter who we are or where we come from God can move us from a place on the margins to a community of faith Foxy Davison educator and activist Sara helped me feel more found than I did before orphaned but also anchored in a much better story than the one the world s been selling me over the past decades I needed this book more than I knew Chuck DeGroat author therapist and professor of pastoral care and Christian spirituality at Western Theological Seminary

Toyama, NIKKI A TOYAMA-SZETO AND. Breaking Old Rhythms Amena Brown, 2012-11-29 Invoking the creative practices of music dance theater poetry and painting spoken word poet Amena Brown explores the nature of rhythm and what it takes to push through obstacles to spiritual growth Read this book and be reminded of the love that carries us beyond worn out rhythms into the ever new life of the Spirit

Healing the Gospel Derek Flood, 2012-08-06 Why did Jesus have to die Was it to appease a wrathful God's demand for punishment Does that mean Jesus died to save us from God How could someone ever truly love or trust a God like that How can that ever be called Good News It's questions like these that make so many people want to have nothing to do with Christianity Healing the Gospel challenges the assumption that the Christian understanding of justice is rooted in a demand for violent punishment and instead offers a radically different understanding of the gospel based on God's restorative justice Connecting our own experiences of faith with the New Testament narrative author Derek Flood shows us an understanding of the cross that not only reveals God's heart of grace but also models our own way of Christ like love It's a vision of the gospel that exposes violence rather than supporting it a gospel rooted in love of enemies rather than retribution The result is a nonviolent understanding of the atonement that is not only thoroughly biblical but will help people struggling with their faith to encounter grace

Yours are the Hands of Christ James C. Howell, 2017-06-01 Take spirituality into the real world Jesus didn't become flesh so we could feel different He came to this world so we will be different Often our spirituality seems invisible and mute to a hurting world Many of us simply internalize faith out of fear feelings of inadequacy

or choice A faithful response to discipleship's call however is both inward and outward Through Howell's study you'll find ways to apply faith to your daily life and make evident your commitment to Christ By considering all that Jesus did with his hands as a teacher a healer and a compassionate servant Howell challenges readers to be the hands and feet and love of Christ in the world Christianity must become something real tangible something that pervades all that we are writes Howell It must become something we do In our culture for Christianity to have any meaningful future we must get serious about a genuine lifestyle that is holy without being elitist engaged with the world without being jaded or self-righteous active and busy yet prepared to cope with failure Howell's inspiration for this work comes from a poetic meditation written by Teresa of Avila a Spanish nun who lived in the 16th century The poem begins Christ has no body now on earth but yours no hands but yours no feet but yours Howell connects these words with the apostle Paul who wrote in 1 Corinthians 12 Now you are the body of Christ Express your faith through action Be the hands of Christ today to a hurting world

Can I Say That? Brenna Blain, 2024-08-13 Can God handle our hardest questions biggest struggles and secret doubts We instinctively assume he cannot We figure giving voice to those things will bring shame rejection and distance from him But what if our hard questions don't need to function as an off-ramp from Christianity but can lead us closer to his heart What if he is not afraid of our doubts but instead reveals himself in them In *Can I Say That* Brenna Blain brings her fresh voice to those who feel unsafe or unwelcome in the church acknowledging the incongruity between the church's actions and believers' lived experiences As a Bible teacher and an advocate for those who have experienced abuse molestation and mental health crises she creates space for readers to be radically honest and ask tough questions Am I safe here Why does your presence feel so lonely God while pointing them to biblical foundational truth Leading the way with her own raw vulnerability and authenticity Brenna shares her journey of wrestling with God and building intimacy with him as a result Bravely exploring these deep places with Brenna will help you Know in your guts that God accepts you as you are even as you question struggle doubt and hurt Be reassured that he is bigger than anything you face and can handle anything you bring to him Experience his love in the most tender and needy parts of your heart Engage complex questions about the institution of the church wrestle with its abuses and advocate for the Body of Christ to more closely reflect his heart God sees you and knows you better than you know yourself He doesn't need you to change in order for him to love you He doesn't require you to be free of struggles in order for him to be close to you He wants you to be your true self with him and be willing to engage with him deeply so he can wow you with the beauty of his heart and character
