

My Brother

Together we shared a child's world.

We talked we disagreed.

We shared many hurts and joys.

The older we grew, the stronger
the bond between us became.

I was always so proud to have you
as my brother.

Now life has taken us down separate paths,
but your well-being and happiness
will always be foremost in my thoughts.

Neither the span of miles ...

Nor the years between us ...

Can ever change the feelings I have for you.

I love you brother, and always will.

Hans Christian Andersen in American Literary Criticism of the Nineteenth Century Herbert Rowland, 2020-11-03 In Hans Christian Andersen in American Literary Criticism of the Nineteenth Century Herbert Rowland argues that the literary criticism accompanying the publication of Hans Christian Andersen s works in the United States compares favorably in scope perceptiveness and chronological coverage with the few other national receptions of Andersen outside of Denmark Rowland contends that American commentators made it abundantly evident that in addition to his fairy tales Andersen wrote several novels travelogues and an autobiography which were all of more than common interest In the process Rowland shows that American commentators naturalized Andersen in the United States by confronting the sensationalism in the journalism and literature of the time with the perceived wholesomeness of Andersen s writing deploying his long fiction on both sides of the debate over the nature and relative value of the romance and the novel and drawing on three of his works to support their positions on slavery the Civil War and Reconstruction
